**Lifelong Dreams** Bob Wosczyk,2008 Times are tough People are losing their homes their jobs and to top it all off the cost of gasoline is going through the roof Good news is hard to find these days It almost makes you want to quit on the game of life Are you starting to lose your will Is the fat lady getting ready to sing Whatever you do DON T LET HER Scream at the top of your lungs WHO SAYS THE FAT LADY HAS TO SING Make the decision that TODAY will be the day that you stop living in fear and start living for your dreams This book will help you conquer the eight fears that make you quit on your lifelong dreams Fear of the Extraordinary Fear of Rising to New Heights Fear of Our Shadow Fear of Our Spouse Fear of Moving Targets Fear of Failure Fear of Unworthiness Fear of Our Life s Purpose When you re fearless you ll live with passion and excitement When you re fearless you won t quit And when you re fearless you can scream out to the world WHO SAYS THE FAT LADY HAS TO SING *Create a Desired Future by Working on Your Own Dream* Idowu Kotila,2022-08-01 The book

Create a Better Future by Working on Your Personal Dream is to define dreams and elaborate on what the dreams are and what dreaming is not It is a wake up call book for many people who are suffering in the midst of plenty simply because they actually have dreams and talents that can shift them to a better stage of their lives but the fear of the unknown is preventing them from making any move or use their talents to their own advantage and to the benefit of their communities and the world at large The book is also written to let many people who are talented but haven t discovered their talents to discover their talents through examples and advice given in the body of this book and to remind readers that relying on their fathers wealth or their uncles or aunties abroad cannot help their dream Possible channels for fulfilling dreams are touched in the book for as many that are on the crossroads on their way to success to study and be encouraged to put into practice This book is to remind the readers that people are poor not because they don t have money in their bank accounts but because they lack dreams vision and purpose and by exhibiting fear of unknown in their mind Among the aim of this book is to remind the readers that borrowers are slaves to the lenders and to remind them that he who controls your time has control on your destiny and has a great influence on your life That is the case of employers to employees regardless of your position in your present jobs as employee Reasons why many university and college degree certificates holders are poor and serving as slaves to people in authority and the few rich who can take risks and work on their dreams even though they don t bag as much university degree is emphasized on in this book More also one of the major purposes of this book is to remind the brilliant students that school rewards people for their memory Life rewards people for their creativity and ability to solve problems Your degree or certificate is not the cure to poverty the cure to poverty is your ability to see and seize opportunities Possible

advice to the common problems facing the university and college graduates that are struggling to make ends meet and those that are making it but want to shift to the next level of their greatness are included in chapters of this book The power of simple things is described in the chapter of this book by showing examples of simple thing that are easy for people to do to transform their lives but they keep failing to do at every point of their lives daily This is among the reasons why this book is published The constant law of wealth creation is mentioned in this book Possible and simple ways of starting and establishing businesses with possible steps to take in transiting from your regular jobs to your own business without becoming jobless in between the transit is in this book The ways to see your future are in the book Reading this book will allow employees to know that by working for people they will make a living While working on their businesses will make them a fortune The daily habits of the few rich and what they are doing daily to stay on top of the ladder and keep making people serve them and their generations are in this book The ability to turn challenges into opportunities and to diffuse the fear of the unknown in the mind of those who don t have hope in their future by letting them know that they are unstoppable by showing them how will be read in this book The way you think has a great role to play concerning what you will become in life Your thought is what you become If you cannot change your thought you cannot change your life This book was written to encourage the readers on the need to think progressively and the positive effects of progressive thinking Inclusive in this book is the need for the reader to be well informed in whatever areas in business career or community they find themselves The sure path to failure is when a man is ignorant and yet rejects every opportunity to obtain relevant knowledge If you know your assignment you will know what your needs are Where you will get to in life is determined by your assignment Reading this book will open ways for readers on how to recognize individual assignments and how to work in fulfilling the assignment rather than wasting time in doing what they were not called to do Time is such a commodity that when spent can never be recovered This book encourages readers to rise to their various challenges and reminds the readers of the importance of time management Overall this book serves as the GPS to navigate through the basic challenges of life and as a daily life devotional and motivational tool that encourages people to face and overcome the daily life challenges Many of these reasons and more to be discovered as you read on the book are inclusive I strongly believe the confidence needed to believe in yourself and instinct to work on your personal dream will be developed as you read the book
