**Why you need digital marketing agency for small business**

Rick J. Ford, 2020-07-31

The value of using digital marketing for small and medium-sized companies does not lie in a fashion or trend; it lies in the change in the way the customer knows himself and makes

purchase decisions today You use them in the channels for this process The first thing a SME needs is to understand what Online Marketing is about and how it works I m also running into many businesses who think the use of social networks is digital marketing and voila So the first step is TRAINING irrespective of whether you outsource to a specialized company or not SMEs must know what this is all about
