Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era Wheatley, Daniel,Hardill, Irene,Buglass, Sarah,2021-04-16 With the introduction of policies to combat COVID 19 far greater numbers of employees across the globe including those with limited job autonomy have moved to undertake their entire job at home Although challenging in the current climate embracing these flexible modes of work such as working at home including relevant investment in technology to enable this will not only deliver potential organizational benefits but also increase the adaptability of the labor market in the short and longer terms Although perhaps not the central concern of many in the current climate good home based work is achievable and perhaps even a solution to the current work based dilemma created by COVID 19 and should be a common goal for individuals organizations and society Research also has shifted to focus on the routines of workers organizational performance and well being of companies and their employees along with reflections on the ways in which these developments may influence and alter the nature of paid work into the post COVID 19 era The Handbook of Research on Remote Work and Worker Well Being in the Post COVID 19 Era focuses on the rapid expansion of remote working in response to the global COVID 19 pandemic and the impacts it has had on both employees and businesses The content of the book progresses understanding and raises awareness of the benefits and challenges faced by large scale movements to remote working considering the wide array of different ways in which the large scale movement to remote working is impacting working lives and the economy This book covers how different fields of work are responding and implementing remote work along with providing a presentation of how work occurs in digital spaces and the impacts on different topics such as gender dynamics and virtual togetherness It is an ideal reference book for HR professionals business managers executives entrepreneurs policymakers researchers students practitioners academicians and business professionals interested in the latest research on remote working and its impacts

Remote, Inc. Robert C. Pozen,Alexandra

Samuel,2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration

Work and Quality of Life Nora P. Reilly,M. Joseph Sirgy,C. Allen Gorman,2012-05-31 Employees have personal responsibilities as well as responsibilities to their employers They also have rights In order to maintain their well being employees need opportunities to resolve conflicting obligations Employees are often torn between the ethical obligations to fulfill both their work and non work roles to respect and be respected by their employers and coworkers to be responsible to the organization while the organization is reciprocally responsible to them to be afforded some degree of autonomy at work while attending to collaborative goals to work within a climate of mutual employee management trust and to voice opinions about work policies processes and conditions without fear of retribution Humanistic organizations can recognize conflicts created by the work environment and provide opportunities to resolve or minimize them This handbook empirically documents the dilemmas that result from responsibility based conflicts The book is organized by sources of dilemmas that fall into three major categories individual organizational internal policies and procedures and cultural social forces external to the organization including an introduction and a final integration of the many ways in which organizations can contribute to positive employee health and well being This book is aimed at both academicians and practitioners who are interested in how interventions that stem from industrial and organizational psychology may address ethical dilemmas commonly faced by employees

Implications of Remote Work on Employee Well-being and Health Rolf Van Dick, Anja Baethge, Nina M. Junker,2024-12-31 The rapidly growing field of organizational psychology has over the last few years

become one of the fastest growing branches of psychology. Particularly taking care of the health and well being of employees in the workplace cannot only be considered a moral imperative but has begun globally to be recognised as driving forces of socio economic growth. Employee health and well being is crucial to organizations in regards to improved productivity, employee performance, job satisfaction, staff retention, reduced absenteeism, increased job satisfaction and work commitment. Thus research relating to employee well being and health has produced some significant results and furthered our understanding of this subsection of the organizational psychology field. The evolvement of the way we work has also gained traction in the organizational psychology field in relation to remote working. Since the Covid 19 pandemic many workforces have adapted more or less permanently to this form of working. Frontiers has organized a series of Research Topics to highlight the latest advancements in research across the field of organizational psychology and the implications of remote working. This editorial initiative of particular relevance led by Professor Rolf van Dick, Specialty Chief Editor of the Employee Well being and Health section alongside Dr Anja Baethge and Dr Nina Junker is focused on the implications of remote working on employee well being and health. *Working From Home. A Consideration Of The Effectiveness, Practicalities And Psychological Outcomes* Maria Clarisa Pascual, 2021-08-25 Seminar paper from the year 2020 in the subject Psychology Work Business Organisation grade 1.0 language English abstract This study examined the effectiveness, practicalities and psychological outcomes of working from home. Since the pandemic hit the world in 2020 there were a lot of changes that needed to be implemented especially in the Philippines. One of the most affected was the workforce. There were people who needed to go physically to work like the health workers and other front liners. For some government offices they needed to continue working but because the transportation was suspended many transformed their physical offices to virtual offices and meant that employees would need to work from home. Financial World, 2002 **Bulletin of the Society to Promote the Science of Management**, 1915 Bulletin of the Taylor Society Taylor Society, 1922 **Bulletin of the Society to Promote the Science of Management** Society to Promote the Science of Management, Taylor Society, 1914 *Building High-performance People and Organizations* Martha I. Finney, 2008 Business success depends on employee innovation, drive, skill, endurance and dedication. Engaged employees studies show provide tangible advantages to the organization and its bottom line: greater customer satisfaction, reduced turnover, higher productivity, improved profitability, better safety results and higher stock prices. In contrast the Gallup Organization has discovered that disengaged workers cost U.S. business between 250 billion and 350 billion each year. How do you engage employees and in turn create the high performance organization? With a different emphasis in each volume that's what this set is all about. Volume 1: The New Employer-Employee Relationship. Volume 2: The Engaged Workplace. Organizational Strategies. Volume 3: Case Studies and Conversations. From the latest theories on motivation to innovations in HR to methods to increased employee retention it provides the essential insights and tools managers, leaders and HR people need to find new ways to succeed while keeping

employees happy productive and loyal Employees know that cradle to grave or even week to week employment security is a thing of the past and that they are at the helm of their own career ship Discerning consumers in the employment marketplace they therefore seek employment opportunities that speak not only to their wallets and life circumstances but also to their desire to find work that provides purpose and passion How can employers meet these needs and create a team of engaged employees That s a large question and one that spans a spectrum of issues that includes career development human resource management and the alignment between individual and organizational goals In these three volumes leaders and managers will find answers They feature articles interviews and reports from academics psychologists managers in the practical corporate world and experts in career management Despite what Donald Trump might say work is personal and the ways in which individuals navigate the organizational environment and businesses organize to seek attract and retain the best employees is of primary concern That goes double in these turbulent times when job security is at stake cynicism rampant and loyalty at risk This set Covers both theories and practices driving the development of the modern employment relationship from both employee and organizational perspectives Touches on the timely issues of career management balance of personal and professional goals and for organizations finding and retaining the best employees and creating workplace cultures that inspire them to do their best work Provides principles and practices that can be used by companies of all sizes in all sectors and in all parts of the world Features an all star cast of contributors from corporate leadership academia practice and consulting special elements include interviews with business leaders and many best practice examples Building High Performance People and Organizations connects the dots so employers can maintain a loyal satisfied and productive workforce Volume 1 The New Employer Employee Relationship This volume looks at trends in demographics and the general business environment leading to and driving the concept of employee engagement It addresses such issues as changing workforce demographics essential considerations in using employeesurveys building a high performance culture measuring and managing human capital engagement and change management managing virtual work teams and the impact of globalization and technology on the employer employee relationship Volume 2 The Engaged Workplace Organizational Strategies This volume focuses on real world organizational strategies to find develop and retain the best employees with an emphasis on innovative practices in both the U S and internationally Topics covered include hiring and staffing strategies the essential elements of work life balance

In Depth Remote Work Productivity For Busy Professionals Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free In Depth Remote Work Productivity For Busy Professionals PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free In Depth Remote Work Productivity For Busy Professionals PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of In Depth Remote Work Productivity For Busy Professionals free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
