and determine its focus according to the identified gaps in the literature The report presents a number of existing evidence illustrating how greatly social media has changed and continues to change the PR industry Another purpose of the research was to examine the reasons for this phenomenon To do so the research also aimed to investigate how practitioners themselves use social media and how it has been integrated into the Marketing Mix As Brown summarizes Now we are seeing altogether new ways     California Farmer ,2008     *Newsletter* ,2005     **Union Agriculturist and Western Prairie Farmer** ,2008     *Strategic Database Marketing 4e: The Masterplan for Starting and Managing a Profitable, Customer-Based Marketing Program* Arthur Middleton Hughes,2011-12-02 Providing the most current marketing theories and strategies for 15 years now updated to cover digital platforms so you can expand your reach even further Retaining all the advice tips tactics and strategies that has made it the go to resource for marketers who take their craft seriously Strategic Database Marketing now shows how to use marketing metrics measure them and predict the most profitable courses of action on Google e mail smart phones social media and other websites Arthur M Hughes founder and Vice President of The Database Marketing Institute Ltd has been designing and maintaining marketing databases for Fortune 500 companies and others for the past 30 years     *Convene* ,2008
