Design by Use Uta Brandes, Sonja Stich, Miriam Wender, 2013-03-04 This publication explores and analyzes a very special kind of design the phenomenon as normal as it is wonderful in which people with no formal training in design take things that have already been designed and reuse them convert them to new uses in short misuse them in the very best sense of the word Non intentional design NID goes on every day in every area of life in every region of the world Redesign through reuse makes things multifunctional and cleverly combines them to generate new functions It is often reversible resource friendly improvisational innovative and economical It can become a source of inspiration for design provided professional designers look up and take notice of what actually happens to all the things they design when they are used **Women and**

Punishment Pat Carlen, 2013-05-13 In the last decade there has been growing international concern about the increasing numbers of women in prison the effects that imprisonment has on their children the realisation that gaoled women have different criminal profiles and rehabilitative needs to male prisoners and the seeming intractability of the associated problems In response there has been an overarching policy concern in many countries to fashion and co ordinate gender specific policies towards female offenders which aim both to slow down the rate of their offending and or imprisonment and also to engender flexible programmes which will reduce the time spent in custody and or away from their young children The major objective of this book is to describe and analyse contemporary opportunities for and barriers to both the reduction of female prison populations and the reduction of the pain of those women who continue to be imprisoned It assesses the most important recent attempts to reduce both women s imprisonment and the damage it does identifying and analyzing cross jurisdiction and gender specific lessons to be learned and the unexpected consequences of some of the reform strategies This book brings together leading scholars and practitioners in the field providing a critique of the reform initiatives which have taken place and a much needed theorization of cross national policy in this area It will be essential reading for all with an interest in prisons and prison reform **Feminism, UK Women's Magazines and the Women who Created Them,**

1975-1992 Sharon Maxwell Magnus, 2025-06-30 This book analyses how reproductive rights and sexual freedoms the political sphere women s role in the workplace and sexual violence were positioned and depicted by three magazines with very different demographics Spare Rib Cosmopolitan and Woman s Own The 1970s and 1980s were a time of enormous cultural shifts for women The rise of the feminist Women s Liberation Movement ground breaking equality legislation and greater reproductive freedoms impacted on most women s lives in a plethora of ways However until now there has been little attention to how those changes were disseminated to and framed within women s media This is because most media of the period were run by men for men and focused on men s lives However within women s magazines the changes in women s lives and feminism itself were framed debated and contested This volume features unique interviews with the influential women who produced the magazines Spare Rib Cosmopolitan and Woman s Own and who give insights into the national and

international events ideologies and constraints which impacted on their content creation This book will be of great value to contemporary historians students of gender and cultural studies media scholars and those who are interested in finding out how feminism influenced their parents and their own generation **Women's Small Business Start-Up Kit** Peri
