How Do I Become an Author Robert Flemingson, 2019-11-29 Blogging can look daunting and threatening. Fear not, it will be easy to start a blog even if you have no technical experience. One of the best career options is to learn how to build a blog. I'm not embarrassed that I made a lot of mistakes when I first learned how to create a blog. You will learn from more than a decade of experience so that when you make your own blog, you don't repeat the same mistakes. I developed this simple guide to make it easy and simple for anyone to know how to blog. And if at any point you get lost, send me a message and I'm going to do my best to rescue you. Creating a blog is by far one of the simplest and easiest ways to start your own business and earn revenue online from anywhere in the world. Best part: You don't have to be a qualified blogger for you to start a blog because people who read blogs want a blogger's more dramatic conversational tone. You do not require any qualifications, years of experience, or college degrees to start a blog and succeed. You can literally start a blog regardless of age, place, or level of experience. You should consider starting a blog if you have any of these ambitions for yourself:

1. Making money online. As we approach 2020, millions of people around the world are turning to making money from home rather than pursuing a traditional 9 to 5 job.
