This is an open access book. Jepara International Conference JIC is an international conference held annually in Jepara, Indonesia. The conference aims to bring together scholars, researchers, and practitioners from around the world to discuss and share their latest findings on a variety of topics related to sustainable development, education, and digital society. The theme of the 2024 JIC is The Sustainable Technology of Coastal Development, Advance Education, and Digital Society. This theme is particularly relevant to Jepara, a city located on the north coast of Java Island. Jepara is facing a number of challenges related to coastal erosion, climate change, and the need to improve education and digital literacy. The JIC will provide a forum for discussing these challenges and identifying innovative solutions. The JIC will feature a number of keynote presentations, panel discussions, and paper presentations. There will also be opportunities for networking and collaboration among participants.
