

5 COMMON ISSUES

While Using ChatGPT

+ Easy Fixes

#1 – ChatGPT stops suddenly

While using ChatGPT, you might experience incomplete responses when ChatGPT suddenly stops generating a response in the middle of a sentence/code.

Reasons:

- ChatGPT has reached its character limit for your account type.
- ChatGPT has run into a bug.
- ChatGPT goes down, or your internet goes down.

Solution:

- Click the "Regenerate response" button.
- Use the short prompt:
+"go on"
+"finish your answer"
+"continue from the last line"
+"continue"

#2 – Inappropriate responses

ChatGPT can occasionally produce inappropriate responses and even go as far as arguing completely incorrect facts.

Reasons:

ChatGPT doesn't use the internet to locate answers. It generates a response by making a series of guesses.

Solution:

- Not entirely believe everything ChatGPT says.
- Double-check the information in ChatGPT's responses for accuracy.

#3 – Limited knowledge

Specifically, ChatGPT is limited knowledge of world events after September 2021.

Solution:

Provide ChatGPT with information about a world event after September 2021 in text format or through links.

#4 – Overly verbose or lengthy responses

ChatGPT might generate excessively long or wordy responses, making it difficult to extract the desired information efficiently.

Solution:

Specify in the prompt the desired response length or ask ChatGPT to provide concise and to-the-point answers.

#5 – ChatGPT's responses don't satisfy your query

| Issue | Solution |
|--|---|
| ChatGPT generates vague or general responses. | Refine and provide more specific prompts. |
| You want to see alternative perspectives on a topic. | Ask ChatGPT to rephrase its answer in a different way |
| You want further information. | Provide follow-up questions about it. |

Top Chatgpt Prompts Tips For Dads In America

Doug Moe

Top Chatgpt Prompts Tips For Dads In America:

Beyond Identities in Modernity Yunrui Deng,2024-11-08 This book argues that future generations of modernity as a whole will shape participatory modernization whether Chinese modernization or Western modernization The public discourse is inundated with the good and the bad modern events with the acceleration of globalization This book debates that the biggest question in the twenty first century is not who will dominate touting a new world order upon us but rather that it is the orientation of modernization that haunts our daily realities This book explores the idea that life is not about living for an identity in any society it is about the demands for dignity and safety It goes further to state that there is also a demand for the power of being and these three elements are beyond identities as modernization moves forward Interdisciplinary in nature the book uses theories data and philosophy as toolboxes to align with microrealities around the globe Witnessing modernization and modernizing identities in China and in Australia beyond day by day the author provides a more suitable more realistic and possibly more nuanced perspective This book will be of interest to professionals students academics as well as businesspeople with China experience interested in modernization and identity the Chinese perspective and the new generation of Chinese
