Anne Allen, 2018-02-03 An easy does it guide to simple low tech blogging for authors who want to build a platform but not let it take over their lives. An author blog doesn't have to follow the rules that monetized business blogs do. This book teaches the secrets that made Anne R Allen a multi award winning blogger and one of the top author bloggers in the industry. And you'll learn why having a successful author blog is easier than you think. Here are some things you'll learn in this book: How an author blog is different and easier to maintain than a business blog. What authors should blog about at different stages of their careers. Choosing the right blog topics for your genre and audience. How one type of blogpost can build your platform quickly. Basic SEO tips that don't make your eyes glaze over with tech jargon. How to write headers that will grab the attention of Web surfers. How to keep your audience by learning the tricks of content writing. Essential blog and social media etiquette rules. What happens to your blog when you die. Anne writes the essential blog for today's writers. Mystery author Carmen Amato I love following the blog of Anne R Allen for up to date tips and helpful articles for writers on what's current in the publishing world. Author D G Kaye BRILLIANT One of the Top 10 Resources for Self Publishing Authors author Mark Tilbury Anne is one of the most successful author bloggers out there. Reedsy One of the Top 15 Blogs for Indie Authors to Follow I adore Anne's blog. Aside from being one smart lady her mix of sass and education is priceless. Social media strategist and manager Frances Caballo You know what a huge fan I am of Anne R Allen's blog absolutely marvelous. Romance author Collette Cameron I recommend following the publishing blogs of both Jane Friedman and Anne R Allen. I've implemented many of their tips which have helped boost my SEO. New York Times bestseller Eileen Goudge in Publisher's Weekly

Reinventing Blogging with ChatGPT Laua Maya, 2023-05-12 Reinventing Blogging with ChatGPT is a comprehensive guidebook for bloggers and authors seeking to enhance their content creation workflow through the use of AI language model ChatGPT. The book provides a clear and concise overview of the entire process from identifying target audiences and niches to sharing posts on social media and evaluating blog performance. What sets this book apart is its focus on writing from prompts. To aid bloggers in generating fresh and creative ideas the authors provide various sentence multiple sentence and conversation prompts throughout the book. These prompts are designed to complement specific chapters such as Creating Your Blog's Mission Statement and Brainstorming Blog Post Topics and can help bloggers who may be struggling to come up with ideas. In addition to prompts the book covers other essential aspects of blogging such as search engine optimization SEO affiliate marketing and social media promotion. The authors offer actionable advice and tactics on how to increase visibility and readership through strategic use of these tools. For instance in the chapter Inserting Strategic Links

and Affiliate Links the writers provide best practices for incorporating affiliate links to monetize blogs without sacrificing writing integrity The book also devotes several chapters to leveraging ChatGPT to improve the content development process The authors provide an overview of ChatGPT and explain how to use it for generating topic ideas refining writing and creating attention grabbing headlines The prompts offered throughout the book make it easy for bloggers to produce high quality content quickly and easily Another key feature of the book is its focus on reader engagement The authors offer practical advice on developing relationships with and maintaining interest from the target audience The section Interacting with Your Audience details how bloggers can encourage conversation and feedback through comments and other tools Finally the book concludes with a chapter on performance analysis The authors provide guidance on measuring the success of blog content using metrics such as readership and time spent on site By monitoring these statistics bloggers can identify what is working and what is not leading to better content and higher rankings In conclusion Reinventing Blogging with ChatGPT is an invaluable resource for bloggers and authors seeking to improve their content creation process and attract a larger readership The book s emphasis on writing from prompts and practical advice for audience engagement and performance analysis make it a must read for bloggers of all skill levels
