How to Blog

Mark Gray, 2018-10-21

So many people don't really realize how a blog can become world famous by writing high impact viral posts. They think to blog as a useless and outdated activity to do because they don't comprise that a blog is one of the most available and monetizable methods of Mass Communication and it will remain one of the tops for many years. This dumb belief for which blogging is surpassed is made by thinking blogs like only text platforms and it is really stupid. In a blog is possible to integrate all the other performing platforms and group them in a unique and high impact space. Before to be a SEO expert and a writer Mark Gray is a successful online marketer and one of the top bloggers in United States. The goal of these practical manuals is to help the students who have a blog to finally understand how to GET FANS AND GROW 10X EVERYDAY. What these manuals DON'T include:

- The evolution of Blogging Because no one cares and it is easily findable online
- How to make a sloppy blog Because this is not an average book
- Not applicable techniques Because my students want to explosive growth their notoriety and dumb theories do not help
- Slowest methods Because my students do not want to lose their time
- Everything else does not really work

The really worth approaches are not so much. And study a giant incomprehensible and full of useless advice volume is not what you need. These smart manuals will provide you with all the really practicable steps to get your blog world famous from zero. Before to fight versus your competitors you are fighting versus readers and algorithms and it is the critical point of all the discussion. If you do what readers want to see you will be rewarded. Obviously If not you do not and indeed you could be penalized. What these manuals include:

- How to pick the Blog Platform To get more awareness and to understand the various differences and your specific needs
- How to choose the Right Niche Get guaranteed true fans
- How to write a lot of Viral Posts With the step by step method
- How to really Generate Traffic Which path you want to take
- How to build a Brand Built on your person and your ideas
- How to understand your Audience Use data to take decisions Extra
- Understand how to think the design in the right way and have the loyalest readers as possible

What you have to write about and how. In addition to these first sections of the manuals the students will be allowed to access the most advanced and applicable blogging techniques to exploit Google and Facebook. Advanced sections:

- Learn the advanced Space Formula Maximize the possibilities of being viral
- Learn the perfect Writing Formula Generate true fans on Google
- Create your Community Maximize the social interaction on Facebook
- Select only Flawless Keywords Generate true
