

# THE COMPLETE 4-Step Email List

## *To Convert And Connect With Your Readers*

Over here we have the goal: I want to make tons of money from my online business.

And over here we have the reality: I have a website. I'm making some money, but I wouldn't call it "success" just yet.

The question you have been wrestling with for months now is, "How do I get from my reality to my goal?" Or in other words...

*How do you turn your website into a real money-maker?*

### Email Marketing Basics

#### Step #1: Create Your Email List

- Immediately start your free account with MailChimp
- Select "Lists"
- Click "Create List"

At CoSchedule, we use CampaignMonitor which is awesome if you'd like to position your email list for massive growth from the get-go.

#### Step #2: Optimize Your Website For Email Collection

Think simple and then think simpler:

- Simple design
- Single goal
- Necessary features only

If you want to build a serious email list, this has to be the #1 goal of your website.

- Immediately axe anything that doesn't facilitate email signups.
- To collect email subscribers effectively, you need:
  - Some form of compelling lead magnet
  - Above-the-fold email opt-in CTA
  - Email opt-in popup
  - End-of-content email opt-in

#### Create A Compelling Lead Magnet

You need to be able to compel visitors to become subscribers. Have something valuable in exchange for their email addresses.

There is virtually no limit to what you can use as a Lead Magnet:

- Restricted resource library
- Topical e-book
- Collection of templates

## How To Choose Email List Building Tips Guide For Introverts:

**Build Your Author Platform: An Introvert Author's Guide to Marketing Your Writing.** Laura Kortum, 2025-02-11  
You've published your first book and are eager to take that next step getting some visibility for it and for yourself. But whenever you hear the word marketing it sends a chill down your spine leaving you frozen in indecision about how to proceed. Worry not. You don't have to be a sleazy salesman to market yourself. You also don't have to bumble your way through the process and look like an amateur. In this guide you'll learn about all the essential building blocks of a successful and professional looking author platform including: What even is an Author platform? Present yourself. A great bio, photograph, etc. Claiming your author pages on Amazon, etc. Basics of author Websites. Social media for introverts. Newsletters and mailing lists. Automation. FTW. More than all of the above, this guide also deals with the most important question of all: what's the absolute minimum an introvert such as yourself can get away with. Marketing can become a fulltime job if you let it, but we're writers. And so we want to have plenty of time left over for writing, don't we? Let's begin. *The Introvert's Guide to Entrepreneurship* Nate Nicholson, 2015-04-15  
How an Introverted Entrepreneur Accidentally Discovered the Critical Effect of His Personality on His Business. If you are an introvert wishing to start a business, I can't think of a worse way to mess it up than to completely disregard the effect of your personality on its success. In fact, that's exactly how I messed up my business. I launched a venture suited for an extrovert, not even once asking myself whether I could handle it with my deeply introverted nature. Would you like to avoid a major screw up and start a business that fits your personality? Don't reply. I know your answer. I wrote this book to help you avoid the mistakes I made and teach you the proper way to start a business as an introvert. I will share with you the lessons and observations every introverted businessperson should consider before pursuing a new venture. If you skip this step, chances are that your business will fail much sooner than you think and the only person at fault would be you. I was there and let me tell you, it ain't pretty. Let me help you learn how to make the most out of your strengths to start a successful introvert-friendly business. Here are just some of the things you will learn from the book: your 5 main strengths to help you become an entrepreneur. Just one of these strengths is more potent than any other business skill, yet you're probably not aware of it. Chapter 1: your 5 most harmful weaknesses that can affect your business. Learn which weaknesses can ruin your business endeavors and how to prevent it from happening. Even with the most genius business idea and perfect execution, you can fail when exhibiting one of these weaknesses. Chapter 2: how to lead your company as an introvert. Hint: many successful entrepreneurs, including extroverts, do something entirely different than most people. And it's introvert-friendly too. Chapter 3: 5 key attributes of a good business partner for an introvert. If you don't want to go it alone, learn how to choose the right partner. Just one of these traits can either make or break your partnership. Chapter 4: how to promote yourself and network as an introvert. Most introverts possess a powerful skill that can help them promote their business without networking the old-school extrovert-friendly way. Chapter 5: 5 attributes of introvert-friendly businesses.

Before you launch a new venture ask yourself how well it fits your personality Don't leave this question for later unless you want to find yourself trapped in a business that sucks your soul Chapter 6 9 introvert friendly business models to consider Learn what types of ventures fit the introverted personality best and increase your chances of success Chapter 6 5 introvert friendly ways to come up with business ideas If you're yet to come up with a business idea you'll learn how to research potential opportunities and find out if they have legs The process of validating a business before you start it can save you thousands of dollars and hundreds of hours Chapter 7 If you're ready to learn how to become a successful introverted entrepreneur click the buy button now Avoid my mistakes and start a business that fits your personality from the get go P S As a thank you gift for reading my book you'll receive a completely free ebook I used to sell for 2 99 15 Steps to Better Time Management and Higher Effectiveness It will teach you how to become a more effective entrepreneur who achieves more while doing less Keywords introvert introvert business introvert entrepreneur entrepreneur introvert introvert networking introvert success introvert power introvert leader health stress inspiration inspirational introverts in business introverts guide to success introvert career introvert leadership introvert marketing introvert sales introvert communication skills transformation motivational
