How To Choose How To Get Brand Deals For Beginners For Teens In America:

The New Deal and American Youth Richard A. Reiman, 2010-06-01 When President Franklin Roosevelt formed the National Youth Administration NYA in June 1935 he declared that it would address the most pressing and immediate needs of American young people In this book Richard A Reiman explores the various and sometimes conflicting ways in which the NYA planners and administrators defined those needs and attempted to answer them As Reiman notes the NYA was established to assist the millions of youth who during the Depression years were out of school out of work and ineligible for the New Deal s own Civilian Conservation Corps Contrary to popular belief he argues New Dealers did not envision the NYA primarily as a junior WPA a trigger for civil rights reform or a springboard for the careers of liberal administrators Rather its designers saw it as a reform agency that would advance and protect democracy by countering totalitarian appeals to young people and by equalizing educational opportunities for rich and poor Woven into the successive drafts establishing the NYA these twin purposes united the programs of planners as disparate as Aubrey W Williams Mary McLeod Bethune John Studebaker Eleanor Roosevelt Charles Taussig and FDR himself Like their separate agendas Reiman shows the planners shared concerns for democratic values were the products of thinking that had arisen during the Progressive Era a time when an awareness of the social effects of child development first occurred During the 1930s fears of fascism and totalitarianism added fuel to these concerns and shaped much of the nature of the NYA s prewar appeal Based on a wide range of sources including NYA related documents at the National Archives and at the Franklin D Roosevelt Library The New Deal and American Youth is the first full length study of this important agency By showing how the NYA served as an instrument for realizing so many New Deal ambitions it offers rich insights into both the NYA and the New Deal
