Disruption and Digital Journalism John V. Pavlik, 2021-10-06 This book offers a timely insight into how the news media have adapted to the digital transformation of public communication infrastructure Providing a conceptual roadmap to understanding the disruptive innovative impact of digital networked journalism in the 21st century the author critically examines how and to what extent news media around the world have engaged in digital adaptation Making use of data from news media content production and distribution both off and online as well as user and financial data from the U S and internationally the book traces how the news media embraced and reacted to key developments such as the invention of the World Wide Web in 1989 and the launch of Google in 1998 Facebook in 2004 and the Apple iPhone in 2009 The author also highlights innovative organizations that have sought to reimagine news media that are optimized for digital online and mobile media of the 21st century demonstrating how these groups have been able to stay better engaged with the public *Disruption and Digital Journalism* is recommended reading for all academics and scholars with an interest in media digital journalism studies and technological innovation

Reporting Humanitarian Disasters in a Social Media Age Glenda Cooper, 2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century

and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go

Branding that Means Business Matt Johnson, Tessa G Misiaszek, 2022-10-25 A revelatory guide on how to build sustain and grow a brand A brand is either beloved or it's noise We live in a fast paced world of immediate gratification where consumers can listen to any song watch any movie or read any article with the touch of a few buttons They are peppered with hyper personalized targeting for products that can be ordered seamlessly and arrive within hours And if your brand isn't the first to come to mind they'll click that button and it'll be delivered by someone else So how do you make sure your brand connects with consumers Branding that Means Business draws from the authors experience and business literature as well as psychology sociology and even anthropology to show readers that while any brand serves the business the mechanisms that enable it are all about connecting with people Readers will learn how to create maintain and operationalize their brand and think creatively about how to differentiate their product and most importantly make consumers fall in love with it

The Phoenix Encounter Method: Lead Like Your Business Is on Fire! Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don't advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization's advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of urgency and purposefully radical provocation The Phoenix Encounter Method represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization *Entrepreneurship* Heidi M.
