New Short Form Content Ideas Ideas Usa:

Online TV Catherine Johnson,2019-01-04 With growth in access to high speed broadband and 4G and increased ownership of smartphones tablets and internet connected television sets the internet has simultaneously begun to compete with and transform television Online TV argues that these changes create the conditions for an emergent internet era that challenges the language and concepts that we have to talk about television as a medium In a wide ranging analysis Catherine Johnson sets out a series of conceptual frameworks designed to provide a clearer language with which to analyse the changes to television in the internet era and to bring into focus the power dynamics of the online TV industry From providing definitions of online TV and the online TV industry to examining the ways in which technology rights interfaces and algorithms are used to control and constrain access to audiovisual content Online TV is a timely intervention into debates about contemporary internet and television cultures A must read for any students scholars and practitioners who want to understand and analyse the ways in which television is intertwining with and being transformed by the internet **Radical**

Journalism Seamus Farrell,Eugenia Siapera,George Souvlis,2023-03-31 This edited volume offers a state of the art synthesis of the historical role of radical journalism its present iterations and plans for the future of a journalism that is committed to liberatory movements and politics At a time of profound crisis and stagnation for mainstream journalism radical journalism seems to be riding a wave New outlets including those like Jacobin with a global reach have sprung up presenting a new generation of unapologetically progressive publications with an emancipatory agenda Understanding the role and place of radical journalism becomes even more urgent given the current political climate in a post pandemic world with heightened inequalities and intensified pauperisation Drawing on contributions from leading academics this collection considers How new outlets fit in the genealogy of radical journalism and what their flourishing can tell us about the present and future of emancipatory politics and the role of the radical journalist What these new forms and publications mean for mainstream journalism and its persisting problems of financial sustainability and professional journalistic labour Important challenges presented by for example the resurgence of fascism authoritarianism and the mainstreaming of the far right Essential questions of what radical journalism looks like today what forms it takes or should take and what its future might be Radical Journalism is recommended reading for advanced students and journalists working at the intersection of journalism politics and sociology *ECSM 2022 9th European Conference on Social Media* Elisabeth Pereira,Carlos Costa,Zélia
