Misguided Matthew Facciani,2025-07-08 Why are people inclined to believe misinformation This wide ranging and comprehensive book shines a light on how false beliefs take root and spread exploring the cognitive emotional and social factors that make us all susceptible to misinformation Challenging approaches that focus solely on education and media

literacy Matthew Facciani emphasizes the important role identities and social ties have in the complex interplay of forces that lead people to believe things that are not true Susceptibility to misinformation is largely shaped by social dynamics The pressure to affirm one's personal and group identities can leave individuals vulnerable to false beliefs Facciani examines both offline and online connections highlighting how social media news media and personal networks can promote and amplify false claims To bring social scientific findings to life he shares the stories of people who fell for misinformation with contemporary examples including the COVID 19 pandemic and antivaccine movement Facciani examines the effectiveness of various approaches to combating misinformation underscoring the importance of understanding the psychological and sociological mechanisms behind its spread He provides actionable recommendations for reducing the influence of misinformation at all levels from having productive conversations with friends and family to rebuilding trust in institutions Distilling the latest research accessibly and featuring compelling case studies Misguided equips readers with practical strategies to counteract false beliefs

How to Win the War on Truth Samuel C. Spitale, 2022-10-25 Made to Stick by Chip Heath meets Thing Explainer by Randall Munroe in this illustrated guide to navigating today's post truth landscape filled with real world examples of disinformation campaigns The average person receives 4 000 to 10 000 media messages a day It's no wonder we struggle to separate the news from the noise and fact from fiction but in these unprecedented times it's essential to democracy that we do For anyone struggling to figure out how to live and vote their values How to Win the War on Truth is here to help You'll learn The history of propaganda from Edward Bernays to Fox News Why simple messages are so powerful How social messaging creates unconscious biases Who profits from propaganda How propaganda is manufactured and delivered directly to you Filled with real world examples of disinformation campaigns that impact every citizen and clever illustration How to Win the War on Truth will help you see the world with clear eyes for the first time

Invisible Rulers Renée DiResta, 2024-06-11 An essential and riveting Jonathan Haidt account of the small communities of propagandists revolutionizing politics culture and society Invisible Rulers is about a profound transformation in power and influence that is altering our politics our local government and even our relationships with friends and neighbors Today small communities of propagandists increasingly shape public opinion and even control our relationship to the truth Our shared reality has splintered into discrete bespoke realities driven by algorithms influencers and curated content Very little can bridge the divide thereby making democratic consensus nearly impossible to achieve Renée DiResta exposes how these propagandists and their followers undermine the institutions that make society work from anti vaccine zealots who flood social media with fringe viewpoints to influencers who use AI generated images to manipulate our perception of reality She also provides readers with a new conception of civics that helps us understand and fight back against these new invisible rulers
