

## NEWS FROM ALL OVER THE WORLD

### Learning changed dramatically because of Covid-19

Many teachers in the world have found that learning has changed dramatically because of Covid-19. Some have found that learning has become more interactive and engaging, while others have found that learning has become more passive and less engaging. The impact of Covid-19 on learning is still being felt around the world.

#### Education without borders

Education without borders is a concept that has been gaining momentum in recent years. It is a concept that aims to provide education to all people, regardless of their location or background. This concept is based on the idea that education is a human right and should be available to everyone.

### Careers fair. Are you heading in the right direction?

#### Business who you should attend a career fair

When attending a career fair, it is important to know which businesses to attend. There are many factors to consider when choosing which businesses to attend, such as the industry, the size of the company, and the location of the fair.
