Podcasting Pocket Guide Kirk McElhearn, Richard Giles, Jack D. Herrington, 2005-10-21. With more than three thousand feeds in the iPodder directory and at least ten more being added every day, podcasting is undeniably hot. *Podcasting Pocket Guide* is a non-technical guide for the non-geek who wants in on this revolutionary new online medium for those interested in enjoying the best podcasts or producing them. While podcasts seem like Internet radio programs, they are definitely not radio. And that's a very good thing for people like you with something to say. Radio waves, after all, are heavily regulated, which means you can't say whatever you want on them; in fact, most of you can't say anything on them assuming you don't happen to be DJs. But anyone who can make an MP3 recording

host it on a web site and publish a feed for it can be a podcaster And anyone who wants access to opinions and ideas that you won't get on the radio can find them on a podcast Small enough to fit in your pocket the portable and affordable Podcasting Pocket Guide shows you how to tune into the best podcasts and download them to your favorite portable device so you can listen to them wherever and whenever you want This handy reference even includes a listener's guide with reviews of some of the most interesting and unusual podcasts available today From unique views on current events to music you'd never hear otherwise to soundseeing tours that take you all over the world there's something for everyone on virtually every conceivable topic For aspiring podcasters Podcasting Pocket Guide introduces you to the tools and techniques you'll need to make and publish podcasts with the most basic of equipment a computer a microphone and some free software It includes practical tips and how-tos for creating recording editing and uploading your own professional quality podcast Once you've made that first recording you can publish it online get it listed and start obsessing over the size of your audience
