A practical and inspirational playbook that shows you how to use innovation and disruption to become truly unstoppable. Disruption for disruption's sake isn't a smart strategy when you're seeking ways to accelerate your career and become truly indispensable. In *The Bold Ones* you'll discover it's more about being bold than disruptive being simultaneously confident enough to challenge industries yet practical enough to recreate them. Internationally celebrated disruption strategist Shawn Kanungo offers a playbook for

individuals who know they need to become bolder to push their careers and companies forward but don't know how to innovate. You'll learn where to start, what to do, and how to break through with your ideas. Distilling lessons learned from some of the world's most extraordinary disruptors, *The Bold Ones* presents eight unconventional pillars to success: Success is a Pitfall, Chipping Toward Your Next Big Move, Paradox of Piracy, Disruption is a Joke, Innovation's Dirty Little Secret, 1 True Fan, How to Engineer a Lucky Break, Disrupt a Culture, Leave a Legacy Through each pillar Kanungo illustrates smart takeaways with the eye-opening strategies of some of the world's greatest disruptors and most unlikely change agents from the first female pharaoh to the rapper Cardi B. What was the secret to success behind Rihanna's slaying of the lingerie giant Victoria's Secret? What can we learn from ESPN's 200 million dollar mistake in firing sportswriter Bill Simmons? Far from being one in a million, David and Goliath triumphs. Kanungo puts these individual stories together, create a map showing you how you can replicate their tactics and emulate their strategies to create your own path forward. Filled with inspirational profiles, practical ideas, and game-changing insights, *The Bold Ones* provides all the tools you need to get innovating and disrupting on your own terms wherever you are today.

Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology, anthropology, neuroanatomy, and psychology as well as more than a decade of hands-on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one. With a framework based on Freud's Id, Ego, and Superego model of the human psyche, he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets, platforms like Reddit to the

unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling The Hidden Psychology of Social Networks will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value
