Is Corporate Capitalism the Best We've Got to Offer? Michael Schluter, 2023-06-26 How you can help make companies markets and government fit for purpose If we are serious about transforming capitalist economies we need to start by looking at how these systems connect us as human beings Today few relationships are personal Instead we are linked en masse through vast complex networks financial political social digital The shape and rules of engagement of those networks exerts a powerful influence on our behaviour as governments as companies as NGOs and as individuals At the same time these networks seem to be beyond the possibility of being influenced let alone controlled by governments other individual companies the media NGOs or us as individuals The major challenge facing us is not about ethics Rather it is to design companies markets and government in such a way that the pursuit of justice and sustainability no longer competes with the pursuit of wealth but instead forms a self reinforcing virtuous cycle

Strauss's Handbook of Business Information Hal P. Kirkwood, 2020-08-24 This new edition of Strauss's guide helps users to find current information for and about businesses of all kinds both private and public U S based and international related to

finance investment industries and entrepreneurship Strauss's Handbook of Business Information is a resource for finding and understanding business information. It contains explanation and instruction on the key facets of business information and provides detailed descriptions of key resources within both broad and specific categories. It can be used as a guide to further understanding the what, how, and why of business information research. The changing arena of business information requires regular updating and awareness. This new edition has been thoroughly updated with three new chapters: Entrepreneurship, Competitive Intelligence, and Corporate Social Responsibility. Other additions of note include subsections on internet and mobile marketing and tax havens and related issues, coverage of new legislation (e.g., Dodd-Frank) and subsections on index funds, investment communities, regulatory bodies and laws, hedge funds, venture capital companies, assessing risks, robo-advisors, and more. The Handbook is for students, faculty, librarians, and information professionals looking to gain a broader and deeper understanding of business information. Anyone needing to gain quick exposure to business information needs and resources for solutions will benefit from the volume as well.
