This app will turn your photos and videos into this and you can do it in just two minutes.
All you have to do is pick one of their many templates, which are all customizable.
You can change the background music, add your own music, even have it create a voiceover for you.
And if you don't like the way it sounds, you can actually change the voice.
You can also add text, change the text color, the text style, and even the text animation.
And once you're done, you can download it in 4K, perfect for posting on social media, for marketing, or just to remember that one time you.
