The AI Freelancer's Playbook—supercharged with a viral title, accessible language, and packed with value

Dizzy Davidson, 2025-07-27 If you're tired of chasing freelance gigs without results. If you wish you had more hours in your day but can't afford to hire help. If tech overwhelms you and you just want simple tools that work. Then this book is for you. The AI Hustle Handbook is the God-sent guide for freelancers ready to level up without burnout. Whether you're a graphic designer, writer, virtual assistant, coach, or multi-talented creative, this book reveals how artificial intelligence can become your silent business partner, speeding up your work, amplifying your ideas, and freeing up your time. Written in clear, jargon-free language for readers of all backgrounds, even those with a Grade 9 education, this handbook is PACKED with tips, tricks, and step-by-step guides that walk you through building websites, pitching clients, and handling finances with smart tools. Real-life stories of freelancers who've scaled their income with AI support. Illustrations and examples that make each chapter fun, relatable, and insanely useful. You'll learn how to go from solo hustle to solo empire without writing a single line of code. Inside, you'll find prompts, cheat sheets, toolkits, and bonus resources that empower you to take action immediately. Whether you're just starting out or looking to scale, this book will change the way you work forever. **GET YOUR COPY TODAY**

The Chicago Guide for Freelance Editors Erin Brenner, 2024-04-30 From the publisher of The Chicago Manual of Style comes the definitive guide to starting and running a freelance editing business. In a time when editors are seeking greater flexibility in their work arrangements and schedules, even as publishers and other clients are looking outside for help with tasks from developmental editing to copyediting, freelancing is an increasingly common career option. But deciding to go freelance means balancing the risks with the rewards and understanding the issues involved in running your own business. In this book, Erin Brenner, former co-owner of Copyediting.com and expert speaker on the business of editorial freelancing, covers all you need to know in a single resource. From deciding on your services and rates to choosing the best business structure to thinking through your branding and marketing strategies, the book helps beginning freelancers get set up and land their first clients. But Brenner's advice is equally valuable to those who have already been freelancing, with detailed coverage of such issues as digital marketing strategies and measurement, handling difficult clients, and continuing professional development. It includes an extensive list of resources for freelancers. And it concludes with advice on how to take care of yourself and avoid burnout, issues that Brenner well understands are central to succeeding as a freelance editor.
