**Theological Discourses on Social Media** Christopher B. Barnett, Clark J. Elliston, Trevor B. Williams, 2025-08-29

Theological Discourses on Social Media will examine ten different social media platforms across three overarching parts. The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology. On the whole, the volume will focus on the Judeo-Christian tradition, though dialogue with and insight from other religious traditions will also be featured. The upshot will be a unique theological engagement with the defining issue of our era, a work that will be as relevant as it will be engrossing. Featuring contributions from leading scholars, it will be a must-read for all students of theology, religion, and media and cultural studies.
