audiobooks *Video Marketing* Amelia Green, AI, 2025-03-03 Video Marketing explores how businesses can leverage video to enhance brand engagement and drive sales in today's digital world. The book emphasizes a strategic data-driven approach, highlighting that effective video marketing isn't just about creating content but aligning it with business objectives and understanding the target audience. Did you know that video consumption has exploded, creating vast opportunities to connect with wider audiences? Or that a strategic approach to video marketing is the key to achieving measurable results and ROI? The book progresses across three main parts: foundational concepts, content creation and distribution. It details how to define target audiences, create various video formats, and leverage platforms through video SEO and advertising. Case studies and expert interviews illustrate key points, while templates and checklists provide hands-on guidance. The book uniquely connects marketing, communications, and business management, adopting an accessible style suitable for entrepreneurs and marketing managers.

**Strategic Workforce Reskilling in Service Marketing** J Nair, Arjun, Manohar, Sridhar, B. Limbu, Yam, A. Huhmann, Bruce, 2025-04-17 In the contemporary landscape, there is a critical nexus of service marketing innovation, workforce upskilling, and ethical business paradigms. The domain where marketing innovation intersects sustainability and corporate ethics is underexplored. Enterprises can adopt avant-garde strategies such as voice search technology to enhance service provision while advancing sustainability and corporate social responsibility (CSR). However, voice search technology remains an under-researched area, particularly its ramifications for workforce reskilling and its capacity to transform service marketing dynamics. *Strategic Workforce Reskilling in Service Marketing* paves the way for novel academic inquiry and theoretical elaboration in an era of rapidly evolving technological paradigms. Through a synthesis of theoretical frameworks and empirical case studies, it offers profound insights into the confluence of technology, reskilling, and responsible corporate practices. Covering topics such as employee retention, gamified training, and environmental awareness, this book is an excellent resource for business leaders, marketing practitioners, human resources professionals, policymakers, researchers, academicians, and more.

**Global Business Education** Paul R. Carlile, Steven H. Davidson, Howard Thomas, 2025-12-09 How can business education enhance value for students, employers, and the rest of society? How will technology continue to challenge the model of business education? And how can academia and industry collaborate to make sure that students develop important leadership and management competencies? These are just some of the critical questions facing business school leaders, educators, and industry experts today. This book, the first in a two-book series, articulates the rationale and method for developing a series of global conversations through a jam process to address the most pressing issues in business education today, looking specifically at the issue of regional requirements and necessary contextual variation in approaches. With insights from some of the leading business school deans and educators, *Global Business Education: An Innovative Dialogue* focuses on the discussion and paths taken that led to the creation of the innovative concept of a distributed regional model of jams. This will include the background on the first jam, the rationale and design of the regional jams, and present the

outcomes of the ten global dialogues This book is important for all business school leaders and educators who wish to gain insight into innovative methods for determining new directions in business education *The Ultimate Guide to AI-Powered Content Creation* Pramod Joshi,2025-11-01 Content is still king but AI just became the new kingdom The Ultimate Guide to AI Powered Content Creation reveals how writers marketers and creators can use cutting edge AI tools to produce high quality blogs videos social media posts and marketing campaigns faster than ever before Learn how to build your own content engine powered by tools like ChatGPT Gemini and Claude turning creative chaos into a streamlined system that saves hours and earns more Whether you re a solo creator or building a brand this book gives you the proven strategies prompts and workflows to dominate the digital space in 2026 and beyond AI won t replace creators it will supercharge the ones who learn to use it [The AI Content Creator](#) Claire Donnelly,2025-08-28 Are you struggling to keep up with the relentless demand for content Feeling overwhelmed by deadlines research and the pressure to stay relevant You re not alone and there s a smarter way forward The AI Content Creator is your step by step guide to transforming how you create Instead of burning out you ll learn how to work alongside AI as a powerful co pilot that helps you generate ideas draft faster design visuals and streamline your entire workflow Inside this book you ll discover how to Brainstorm endless fresh content ideas with AI powered tools Overcome writer s block and produce compelling copy in minutes Create professional quality graphics and visuals without design skills Automate tedious tasks like transcription captioning and editing Optimize your content for reach engagement and impact Build an AI tool stack that fits your needs without the overwhelm Navigate ethical concerns like bias copyright and transparency Whether you re a blogger marketer entrepreneur or creative professional this book equips you with practical strategies to save time boost productivity and elevate your content The future of content creation is here Stop feeling left behind start working smarter with AI Grab your copy today and unlock the workflow of your dreams **How to Use Google Gemini AI for Content Creation A Step by Step Guide** StoryBuddiesPlay,2025-02-19 How to Use Google Gemini AI for Content Creation A Step by Step Guide Struggling to keep up with the demands of content creation Unlock the power of Google Gemini AI with this comprehensive step by step guide Learn how to leverage Gemini AI to create compelling blog posts high converting marketing copy engaging social media content and even long form pieces like eBooks and white papers This book covers everything from crafting effective prompts and generating content to fine tuning AI output and optimizing for SEO Whether you re a blogger marketer or content creator this book will empower you to streamline your workflow boost your productivity and elevate your content to new heights Google Gemini AI AI content creation content marketing AI writing content generation blog writing social media content marketing copy AI tools content optimization **AI-Augmented Content Creator** HEBooks, AI Augmented Content Creator Struggling to stay consistent creative and sane in the content grind This book gives you the AI powered strategies top creators use to script faster design smarter and grow quicker without losing your voice or burning out No fluff No fear Just real tools for real creators Turn ideas into videos
