How to Land a Top-Paying Bloggers Job Brian Gordon,2012-04-01 For the first time a book exists that compiles all the information candidates need to apply for their first Bloggers job or to apply for a better job

What you'll find especially helpful are the worksheets. It is so much easier to write about a work experience using these outlines. It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points. With this book, you'll be able to revise your application into a much stronger document, be much better prepared, and a step ahead for the next opportunity. The book comes filled with useful cheat sheets. It helps you get your career organized in a tidy, presentable fashion. It also will inspire you to produce some attention-grabbing cover letters that convey your skills persuasively and attractively in your application packets. After studying it too, you'll be prepared for interviews or you will be after you conducted the practice sessions where someone sits and asks you potential questions. It makes you think on your feet. This book makes a world of difference in helping you stay away from vague and long-winded answers, and you will be finally able to connect with prospective employers, including the one that will actually hire you. This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions. Don't forget to wear a nice suit to your interview, for example. Instead, it deliberately challenges conventional job search wisdom and, in so doing, offers radical but inspired suggestions for success. Think that companies approach hiring with common sense logic and good business acumen and consistency. Think that the most qualified candidate gets the job. Think again. Time and again, it is proven that finding a job is a highly subjective business filled with innumerable variables. The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage. Not sure how to do this? Don't worry. *How to Land a Top Paying Bloggers Job* guides the way. Highly recommended to any harried Bloggers jobseeker, whether you want to work for the government or a company. You'll plan on using it again in your efforts to move up in the world for an even better position down the road. This book offers excellent, insightful advice for everyone from entry level to senior professionals. None of the other such career guides compare with this one. It stands out because it 1. explains how the people doing the hiring think so that you can win them over on paper and then in your interview, 2. has an engaging, reader-friendly style, 3. explains every step of the job hunting process from little-known ways for finding openings to getting ahead on the job. This book covers everything. Whether you are trying to get your first Bloggers Job or move up in the system, get this book.

The Beginner's Guide to Blogging David Grete, 2020-05. It all started about a decade ago when the economy went south and I lost my job. I found myself without purpose, surviving on unemployment checks and aimlessly searching for an alternative way to earn a living. Contrarily, losing my job was one of the best things that has ever happened to me. The part I didn't handle so well was the uncertainty. How was I going to support myself? What was I going to do with myself? Every day I faced the daunting task of finding a new job, no easy

feat during the great financial crash of 2008 2009 and the biggest economic downturn in my life I d heard of the possibilities of blogging There were a few bloggers doing what I could only dream of doing Making a living just for doing something they loved I gave it some consideration and contacted some of them Many were kind enough to answer my emails and some gave me some solid advice on getting started with my very own blog Have you noticed how some bloggers make six or seven figure incomes while others struggle to even make 100 What if I could teach you some key skills and habits that could make your blog a true success financially One of the biggest secrets I can share about blogging one that I quickly came to understand from other successful communicators is that you have to be passionate about what you re writing But this book has so much more to offer In this book you ll find easy step by step instructions on how to Setup your very own blog Analyze and select a specific niche that is both profitable and that you are passionate about Promote and market your blog using several proven social media marketing strategies Apply basic content strategy and design elements to your blog posts to make them go viral Apply 25 essential blogging tips that can help you turn passion into profit While you may not get instantly rich from blogging it is something you can easily build upon in your spare time and expand into a full fledged career path In this book you will learn everything you need to know to get a huge advantage in blogging by standing on the shoulders of some of the most successful bloggers ever to put words on a page For less than a cup of coffee this book will literally teach you how to turn your passion into profit become your own boss and eventually leave the day job behind Don t wait click the Add to Cart button now and let s get started
