Rebel Leaders GSD (Get Stuff Done!) Nathan W. Tierney,2025-12-24 What

is a rebel leader A rebel leader doesn't ask permission They don't hide behind titles or throw around buzzwords They lead through chaos clear eyed sleeves rolled up no fluff They don't break rules just to stir the pot they challenge the ones that block progress They fix what's broken and build momentum where others stall out You'll find them in uniform classrooms cubicles and corner offices Veterans first gen grads sharp outsiders anyone bold enough to rethink what's always been done and gutsy enough to do something better Rebel Leaders GSD is not another leadership book filled with pie charts and passive advice It's a field manual for people navigating the real world people who are done pretending done waiting and ready to GSD Whether you're A veteran trading in your uniform for a badge a brand or a business A recent grad facing your first real job and wondering who wrote these broken rules Or an exhausted employee trying to lead without selling out This book gives you the tactical playbook to adapt speak plainly and cut through the noise You'll learn how to Lead when the rules make no damn sense Communicate like a human not a robot Act decisively even when no one hands you a plan This is the leadership book for people who hate leadership books It isn't theory It's trench tested And if you've ever felt like your grit clarity or instincts weren't welcome in the room this is your proof that they are And your call to lead anyway Welcome to the rebellion
