Marketing GPS Navigating to Success for Small Business Tom Schwing, 2025-03-18. Why should you read *Marketing GPS*? The answer is simple: this book is a treasure trove of valuable insights. I know every author claims that, but the true value of *Marketing GPS* isn't just in the volume of content; it's in the unique perspective I bring as someone who has lived and breathed marketing, learning, creating, developing, and delivering strategies that have driven success for over 500 clients. The value lies in the depth of experience. It comes from decades of hands-on expertise forged in the trenches alongside clients, mentors, and partners, including my employees whom I view as teammates. I've learned as much from collaborating with clients through their challenges and triumphs as I have from my formal education and career. The value lies in the heart behind the work. This book is not just a compilation of lessons from my education, career, and training; it's shaped by a lifetime of hardships, opportunities, and the wisdom gained from every teacher, teammate, and experience that has shaped my positive, unstoppable, and adaptive approach to life, business, and success. So don't wait any longer; whether you're holding a physical copy or an eBook, dive in right now. *Marketing GPS* is your guide to clarity, focus, and action. You won't regret it.
