many precolonial African societies women were empowered and considered to be important participants in the social structures and political systems that managed their communities but during the colonial era women were often marginalized. Now across the continent women are reasserting their agency. This book explores the various ways in which gender has been constructed in different African cultures across history and how this has impacted the lived experiences of women. The book encompasses a broad range of topics including history, health, sexualities, gender based violence, motherhood, education, economic activities, science and technology, religion, popular culture, politics, peacebuilding, feminism, literature, social media and migration. Engaging and compelling, this book invites us to think again about the changing roles, identities and contributions of African women across time and space. It is the perfect introduction for any student of gender or African studies as well as for anyone looking for a reader friendly guide to the subject.

Social media is one of the best ways to earn income since almost everyone these days are using social media for networking and advertising. Becoming a content creator is a great way to use your skills and passions to make an income. All you need to do is make content that can have an audience and reach many people. You will find that you can earn more income than ever before from your home office or bedroom. You can wake up doing the thing you love the most everyday. Know Your Audience. Before being able to make content you need to establish an audience and make content for that audience. You also need to choose the right platform based on that audience as some generations prefer Snapchat and TikTok while others prefer YouTube. You will need to establish your audience and then determine how to make content for them. Knowing your audience is the most important step when it comes to content creation and it's the first step to become an influencer. Did you know that social media can be your main income? Social media is a competitive market since many people are on the platforms making content and wanting to be content creators. However you can still make a name for yourself by following the right guide and by having the right tools. You just need to invest in yourself and invest in your skills in order to be able to market them. Becoming a content creator on your own can prove to be impossible that's why you need to do some research and training before diving into the world of content creation. Not knowing the right tools and systems can make or break your experience as a content creator. Your relationship with your hobbies is also important. You need to find a niche before becoming a content creator. Decide what you are good at and what your passions are. Then you can make content based on your hobbies and your experiences. Finding your niche can be hard though. That's why we've created a detailed and informative guide that will give you guidance on how YOU CAN easily become a content creator and monetize off your skills and passions. I'm proud to introduce you *The Creator Economy* Ahmed Musa,2024-12-24
