TikTok Ban Survival Guide Darrin Scorpio Campbell, 2025-01-15 The ban on TikTok in the United States might sound alarming but it doesn't have to be the end of your journey as a creator or business owner. The internet is full of workarounds, tools, and alternative platforms to keep your presence alive. In this guide, you'll learn how to bypass restrictions, diversify your digital presence, and ensure your creative journey isn't interrupted. Whether you're a social media influencer, small business owner, or casual user, this guide will provide you with actionable steps to overcome challenges and keep thriving. **Critical Internet Literacies** Jamie Cohen, 2024-12-30 An introductory critical internet studies text that builds upon media literacy and digital culture theory to offer a thorough examination of the intersection of online technology and culture. We are now collectively at a hinge point in the evolution of the web where online influencers can sway national discourse, geopolitical events are remixed through memes, and online harms are misunderstood. This book argues that people are generally aware that online media has repercussions in off-platform spaces but sometimes lack the language to properly critique online trends, memes, and internet-born media. How are citizens, activists, and marginalized groups able to use these tools effectively and safely in these times? Jamie Cohen explores aspects of internet culture in an approachable manner, building upon critical media literacy and applying a critical technocultural analysis as a methodology to reimagine how media literacy can operate in an online media environment. The book explores key topics such as accessibility, the creator economy, content moderation, tech bias, platform capitalism, internet culture, and safety. Offering a new way of reading internet media and critiquing content and creators, this book is essential reading for students and scholars of digital culture, internet culture, media literacy, social media, and beyond. **Discovering Public Relations** Karen Freberg, 2023-11-18 Discovering Public Relations introduces students to the field of PR in a practical, applied, and hands-on way that prepares them for the modern workplace. Author Karen Freberg highlights modern and contemporary PR practices, emphasizing social media, digital communication, and creative innovation. Understanding that creativity alone can't create success, Freberg shows students how to choose and implement evidence-based practices to guide their strategic campaigns. The Second Edition transforms students into successful PR professionals by giving them the tools to think creatively, innovate effectively, and deploy research-backed tactics for successful campaigns. *Web Site Graphics*, Inspirationsbog for webdesignere med billeder af websider skabt af trendsettere indenfor omr.
