Blending Leadership Stephen J. Valentine, Dr. Reshan Richards, 2016-06-09 An organizational approach to
more effective school leadership online and off Leadership especially in a school setting is too important to be merely
intuitive In this generous book Steve and Reshan outline a new way of thinking for a new kind of leader Recommended Seth
Godin author of *What to Do When it s Your Turn* and *it s Always Your Turn* If you re a school leader *Blending Leadership* is
the book you need to guide your thinking in today s increasingly networked educational environment Your students and staff
may have varying degrees of comfort with technology but this book will give you solid guidance on how to lead them both
online and offline and chart a path to the future Daniel H Pink author of *Drive* *Blending Leadership* provides all school
leaders with a unique approach to utilizing technology for more effective learning and leadership As the online aspects of

schools become just as important as their brick and mortar counterparts leaders must be as effective screen to screen as they are face to face Drawing from research experience and real world examples this book explores and unpacks six core beliefs necessary for the blended leader to succeed Between email websites apps updates tweets attachments infographics YouTube and unceasing notifications most people are inundated with digital detritus and they either grow to ignore it or get swept under it Effective blended leaders see these distractions as spurs to action models test cases remixable commodities and learning opportunities Blending Leadership gives you the perspective you need to excel and the knowledge to leverage the tools at your disposal
