Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel's Working 1974 which profiled ordinary American workers editor Skees God Among the Shakers 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it's actually lived with such unsparing intimacy Prose Skees's own prose is sharp clear and purposeful but outside of introductions and some notes most of the book come straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn't the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It's both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators' individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There's great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and

a top priority among modern professionals with many declaring remote jobs as their ideal work arrangement and the top factor they consider most important in a job. In fact, when faced with return to office mandates, many workers are poised to leave their current jobs in search of remote job opportunities and healthier company cultures. Whether you're an entry level job seeker eager to work remotely or a seasoned professional seeking greater flexibility in your career, there's an opportunity for you. Staying aware of job search and hiring trends and keeping tabs on companies known to offer work from home jobs can help you find the remote job you're after, whether it's full time, part time, temporary or freelance. And I'm here to help. I have worked remotely since COVID 19 and recently while looking for a new opportunity, I realized that I can share all my knowledge and experience when it comes to job hunting. You'll find this guide to be very different from all others since it has real resume writing examples, tips, links, search engines for remote only jobs, templates, resume compiler, example of skills, etc. In this guide, you'll learn: How to position yourself as a remote ready candidate, How to build a standout personal brand online, Where to find legitimate high paying remote jobs, How to avoid scams and burnout while living your best location independent life.

**Fast Start Guide to Work from Home Jobs** Diana Loera, 2015-01-23. Unfortunately, many qualified people struggle daily to find jobs in our down economy. People are sending in over a 100 resumes and not even hearing back on 1. Then we have the other group: these are people who have tapped into the work from home job opportunities. I'm NOT referring to multi level marketing or piecework freelance such as eLance, but real jobs, full time and part time jobs. Jobs with insurance and 401k options. Jobs that pay well and are even better as you have no commuting expenses, no gas expenses and no work clothing expenses. As someone who has been in the direct response infomercial industry for many years, I've accumulated a wealth of contacts and interestingly enough, many of them offer work from home job opportunities. If you are looking for a job, either long term or to hold you over until you find the job you want, if you live in a remote area, if you are disabled, whatever your reason, if you want a legit job to do from home, I hope you'll take a look at the resources in this book. I haven't given you a 100 or 200 or 300 resources, 30 resources that I hand picked and many whose business I have personally been in.
