Legal pedagogy, practice and curriculum transformation: What does the future hold and look like? Charles Maimela, 2025-07-18 In an era marked by rapid technological innovation and complex socio political shifts legal education stands at a critical crossroads This timely publication explores the imperative for a curriculum that is both responsive and resilient capable of adapting to the evolving needs of students institutions and society at large Blending theoretical analysis with practical insight the book offers forwardthinking strategies to navigate the multifaceted challenges of curriculum transformation Drawing on the lived experiences and reflections of law educators across diverse institutions it provides a unique lens into how curriculum innovation can enhance teaching learning and research in the legal academy More than a commentary this book is a call to action a vital resource for educators academic leaders and policymakers committed to ensuring the continued relevance excellence and social responsiveness of legal education in the 21st century

Higher Ed: Tough Times in a World Divided Phillip L Beukema, 2025-04-02 It's no secret that the world of higher education in the U S is in trouble It faces image problems some of the worst financial pressures ever political turmoil in at least half the states in our country and much more Not all these challenges are of academia's own making but many are Too many silos deep roots in tradition and confused institutional missions all contribute to the state of affairs Chapter by chapter the author lays bare what he regards as the most consequential matters confronting our higher education enterprise today These include everything from enrollment volatility and decline to the impact of a culture war on the DEI movement dim prospects for improved operational funding growing partisanship of university trustees and system boards the impacts of heavy reliance on contingent faculty increasingly unattractive and non competitive faculty salaries and institutional missions that have strayed or enlarged with unintended consequences As exhausting as this short list is it covers only part of the territory Colleges and universities of all stripes are affected from community and technical colleges to four year and graduate colleges and

universities both private and public While there is no silver bullet at the ready the author outlines a rough blueprint for the kinds of initiatives and strategies needed to tackle the most consequential challenges we face today For many a school survival is truly at stake but achieving a turnaround is possible only if their leaders have the vision and courage to guide their institutions in the direction of life changing innovation and renewal *Managing Sport Events* T. Christopher Greenwell, Leigh Ann Danzey-Bussell, David J. Shonk, 2024-06-26 Running a sport event whether it s an international competition or local youth tournament requires acute knowledge and the ability to plan organize promote lead and communicate effectively And no other text prepares students for the task as effectively as *Managing Sport Events* Third Edition With HKPropel Access While other texts in this space stray into the area of facility management *Managing Sport Events* keeps its focus where it should be by providing a thorough grounding of the entire event management process Beginning with an overview of event conception and development the text then moves into the principal planning areas of budgeting marketing promotion sponsorships and legal and risk management Later chapters focus on key operational areas such as staffing event services and logistics and event day management and it closes with postevent details and evaluation The third edition includes new and updated content that incorporates plenty of contemporary real life examples Insights into how event management has been affected by COVID 19 and by the emergence of social media sustainability efforts and diversity equity and inclusion DEI initiatives All new content addressing the role of brand ambassadors social media influencers and nontraditional media in promoting events and encouraging fan engagement An updated discussion of event sponsorships and how sport organizations are implementing creative activation strategies pre event and game day deliverables and the latest technologies to maximize exposure and measure effectiveness An expanded discussion of contracts and other legal considerations such as compliance with the Americans with Disabilities Act ADA An expanded section outlining how principles of project management can be used to effectively plan events New industry profiles that provide insights into key players and noteworthy happenings in event management Related online activities delivered through HKPropel provide robust learning opportunities for students A brand new semester long project in which students plan prepare produce and evaluate a fictional pickleball tournament as well as compile a formal event management plan handbook Scenario based activities in which students make a decision and then see the implications of their choice Mini case studies for each chapter with questions to test comprehension Sample contracts that represent common agreements encountered in event management Practicing and aspiring professionals working in parks and recreation tourism hospitality and sport organizations at all levels youth high school college amateur minor league professional and international will find this book a valuable reference in their roles as event managers Blending traditional business tenets of sport management with the distinct aspects of event management *Managing Sport Events* Third Edition prepares readers to manage events with efficiency and ease so that fans and participants alike have lasting game day memories Note A code for accessing HKPropel
