Control of Religious Printing in Early Stuart England Suellen Mutchow Towers, 2003 An introduction to the nose what it is used for and how to take care of it *London's News Press and the Thirty Years War* Jayne E. E. Boys, 2014 A topical subject offering interesting parallels between the news revolution in the age of James I and Charles I and our internet age An important contribution to the history of print and books London's News Press shows that seventeenth century England was very much part of a European wide news community The book presents a new print history that looks across Europe and the interconnecting political and religious groups with international networks It tells the story of the printers and publishers engaged in the earliest illicit publications their sources and connections in Germany as well as the Netherlands and traces the way legitimacy was achieved These were the earliest printed periodical news publications Periodicity and its implications for trade and customers is explored as well as the roles of publishers and editors The period saw a much bigger circulation of news than had ever been experienced before The book also describes the lively nature of relationships that ensued between news networkers editors writers and readers along their interconnecting chains The subject is topical Our understanding of reading and communications is undergoing major changes with the rise and proliferation of social media James I and Charles I faced new media and an unprecedented growth in informed public opinion fuelled by a flow of information that was essentially beyond the reach of government control So there are parallels with the contemporary struggle to adapt and there is a corresponding growth in the publication of history books reflecting upon the origins of the public sphere and the development of public opinion JAYNE E E BOYS is an independent scholar who lives in Suffolk and British Columbia [Protestant Autobiography in the Seventeenth-Century Anglophone World](#) Kathleen Lynch, 2012-03-22 This book provides a new view of the historical conditions and methods by which godly communities turned personal experience into an authorizing principle A broad range of life writing is explored including Augustine's Confessions John Bunyan's Grace Abounding to the Chief of Sinners and Richard Baxter's Reliquiae Baxterianae [Hartford Puritanism](#) Baird Tipson, 2015-02-25 Hartford Puritanism argues for a new paradigm of New England Puritanism one where Hartford's founding ministers Thomas Hooker and Samuel Stone both fully embraced and even harshened Calvin's double predestination *Unity in Diversity* Randall J. Pederson, 2014-08-14 Unity in Diversity presents a fresh appraisal of the vibrant and diverse culture of Stuart Puritanism provides a historiographical and historical survey of current issues within Puritanism critiques notions of Puritanisms which tend to fragment the phenomenon and introduces unitas within diversitas within three divergent Puritans John Downe Francis Rous and Tobias Crisp This study draws on insights from these three figures to propose that seventeenth century English Puritanism should be thought of both in terms of Familien hnlichkeit in which there are strong theological and social semblances across Puritans of divergent persuasions and in terms of the greater narrative of the Puritan Reformation which united Puritans in their quest to reform their church and society *The*

Journal of Ecclesiastical History Clifford William Dugmore, 2005 *Journal of the Early Book Society Vol 7* Martha W Driver, 2004-06 The Journal of the Early Book Society publishes several substantial articles in each volume with emphasis on the period of transition from manuscript to print **Patry on Copyright** William F. Patry, 2007 The author provides an encyclopedic analysis of copyright placing court opinions and statutes in their real world context In addition to enumerating a complete legislative and statutory history for relevant provisions on pertinent litigation issues a circuit by circuit breakdown is provided The extensive discussion of remedial jurisdictional choice of law and international issues is unparalleled in other legal work Publisher's website *The Papers of the Bibliographical Society of America* Bibliographical Society of America, 2007 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur**, 2004

The British National Bibliography Arthur James Wells, 2004 **The Book Review Digest**, 2005 Unseemly Pictures Helen Pierce, 2008 This engaging book is the first full study of the satirical print in seventeenth century England from the rule of James I to the Regicide It considers graphic satire both as a particular pictorial category within the wider medium of print and as a vehicle for political agitation criticism and debate Helen Pierce demonstrates that graphic satire formed an integral part of a wider culture of political propaganda and critique during this period and she presents many witty and satirical prints in the context of such related media as manuscript verses ballads pamphlets and plays She also challenges the commonly held notion that a visual iconography of politics and satire in England originated during the 1640s tracing the roots of this iconography back into native and European graphic cultures and traditions Published for the Paul Mellon Centre for Studies in British Art *Annual Bibliography of English Language and Literature* Modern Humanities Research Association, 2005 Includes both books and articles *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 The Huntington Library Quarterly Henry E. Huntington Library and Art Gallery, 2007 *Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards*, 2004 Theses on any subject submitted by the academic libraries in the UK and Ireland *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences*, 2004 Historical Abstracts, 2000 British National Bibliography for Report Literature, 2000
