Demonstrated through both her own story and case studies from her clients, Sunny's guide outlines a clear process for answering the question of whether to stay or go, shows women how to get divorced gracefully should they decide to leave, and tells women how to create a better new life. *Unhitched* provides women with the clarity to make the right decisions for their marriage, courage to take the right action, and confidence that their life can be better on the other side. Although this guide is practical and includes many tangible exercises and tools, it is unlike similarly themed guides in that it takes a less sterile and more heart-centered, spiritually-based approach to making tough decisions and taking tough action in a marriage. ***Adult Children of Divorce*** Karen J.
