Conversation With David Antin A:

A Conversation with David Antin David Antin, Charles Bernstein, 2002 A collaboration between David Antin and Charles Bernstein

Talking David Antin, 2001 If someone came up and started talking a poem at you how would you know it was a poem So begins David Antin's Talking a collection of writings that defy classification Combining a passion for storytelling and improvisation with a unique sensitivity to the relationship between verbal and written language Antin creates a work that is hilarious and intelligent making use of techniques of poetry fiction theater autobiography and cultural criticism Originally published in 1972 the four pieces collected here center on political social and artistic concerns that were both timely and ahead of their time In them we see Antin's real poetic achievement the creation of new artistic forms

How Long Is the Present David Antin, 2014-12 In this book editor Stephen Fredman provides critical introductions to a selection of talk poems from Antin's now out of print collections in conjunction with a new interview with the author

Talking at the Boundaries David Antin, 1976

What it Means to be Avant-garde David Antin, 1993 what it means to be avant garde is David Antin's third collection of talk poems published by New Directions As in his earlier talking at the boundaries 1976 and tuning winner of the 1984 PEN Los Angeles Literary Award for Poetry Antin's brilliant improvised disquisitions at once challenge readers expectations even as they instruct and entertain A poet performance artist art critic and professor of visual arts Antin since his college days in New York in the 50s has been at the cutting edge of the avant garde The avant garde Yes if by this is meant not an image of fashion but the place where art and life intersect imparting to both a greater urgency if is meant the place where experience and knowledge find their deepest expression where the idea of a universal language can find shape where the price of art is itself where the fringe is the very center of existence

Meditations David Antin, 1971

Eat Your Mind Jason McBride, 2023-11-14 The first full scale authorized biography of the pioneering experimental novelist Kathy Acker one of the most original and controversial figures in 20th century American literature Kathy Acker 1947 1997 was a rare and almost inconceivable thing a celebrity experimental writer Twenty five years after her death she remains one of the most original shocking and controversial artists of her era The author of visionary transgressive novels like Blood and Guts in High School Empire of the Senses and Pussy King of Pirates Acker wrote obsessively about the treachery of love the limitations of language and the possibility of revolution She was notorious for her methods collaging together texts stolen from other writers with her own diaries sexual fantasies and blunt political critiques as well as her appearance With her punkish hairstyles tattoos and couture outfits she looked like no other writer before or after Her work was exceptionally prescient taking up complicated conversations about gender sex capitalism and colonialism that continue today Acker's life was as unruly and radical as her writing Raised in a privileged but oppressive Upper East Side Jewish family she turned her back on that world as soon as she could seeking a life of romantic and intellectual adventure that led her to and through many of the most thrilling avant garde and countercultural moments in America the births of conceptual

art and experimental music the poetry wars of the 60s and 70s the mainstreaming of hardcore porn No Wave cinema and New Narrative writing Riot grrls biker chicks cyberpunks As this definitive biography shows Acker was not just a singular writer she was also a titanic cultural force who tied together disparate movements in literature art music theatre and film A feat of literary biography *Eat Your Mind* is the first full scale authorized life of Acker Drawing on exclusive interviews with hundreds of Acker's intimates as well as her private journals correspondence and early drafts of her work acclaimed journalist and critic Jason McBride offers a thrilling account and a long overdue reassessment of a misunderstood genius and revolutionary artist

I Never Knew what Time it was David Antin, 2005-04-25 The poems in this volume are unforgettable Richly funny elegiac philosophical contentious filled with astonishing stories and bizarre characters some of the finest writing by today's most compelling poet Gerald Bruns author of *The Material of Poetry Sketches for a Philosophical Poetics* These talk poems bring the reader face to face with a great mind I could hardly bring myself to put the book down Hannah Higgins author of *Fluxus Experience* Just keep talking like they say and with luck and genius maybe you'll get to be like extraordinary David Antin Not only was he there wherever which is a very large place indeed but he can tell you just what happened I must believe it's all in knowing how to listen Robert Creeley author of *If I Were Writing This For thirty years now* David Antin has been producing fascinating meditations that he calls talk poems Beginning in actual talk they take their textual form from strenuous thinking about a given set of puzzles or problems tackling ideas via narrative networks as poignant and profound as they are hilarious The situations are always taken from everyday life but the mode is one of intense defamiliarization In these the most recent of his ruminations on time space and human fallibility Antin shows himself once again to be our truest philosopher poet Marjorie Perloff author of *Wittgenstein's Ladder* David Antin has been one of our savviest cultural critics for over four decades In *i never knew what time it was* Antin takes us on a voyage through his mind Get on board for a lively and insightful trip Irving Sandler art critic historian and author of *A Sweeper Up After Artists A Memoir*

Some Other Frequency Larry McCaffery, 1996 McCaffery converses with the young recklessly daring and furiously productive William Vollmann and with Marianne Hauser who published her first novel nearly sixty years ago with Native American trickster novelist Gerald Vizenor and guerrilla writer Harold Jaffe whose literary technique is to plant a bomb sneak away with stark minimalist Lydia Davis and text and collage artist Derek Pell with muscular pop icon Mark Leyner and proto punk diva Kathy Acker They are a diverse lot shaped by very different literary and personal influences and addressing divergent readerships

The Poetics of Indeterminacy Marjorie Perloff, 1999 She traces this tradition from its early French connection in the poetry of Rimbaud and Apollinaire as well as in Cubist Dada and early Surrealist painting through its various manifestations in the work of Gertrude Stein William Carlos Williams and Ezra Pound to such postmodern landscapes without depth as the French English language constructions of Samuel Beckett the elusive dreamscapes of John Ashbery and the performance works of David Antin and John Cage

Radical Coherency collects Antin's influential critical essays and spontaneous performed lectures or talk pieces for the very first time capturing one of the most distinctive perspectives in contemporary literature. The essays presented here range from the first serious assessment of Andy Warhol published in a major art journal as well as Antin's provocative take on Clement Greenberg's theory of Modernism to frontline interventions in present debates on poetics and fugitive pieces from the 60s and 70s that still sparkle today and represent a gold mine for art historians of the period. From John Cage to Allan Kaprow, Mark Rothko to Ludwig Wittgenstein, Antin takes the reader on an idiosyncratic personal journey through twentieth-century culture with his trademark antiformalist panache, one that will be welcomed by any fan of this consummate trailblazer.
