*CONVERSATIONAL EVANGELISM* Edward D. Andrews, 2017-01-04      *102 Fascinating Bible Studies on the New Testament* Dr. William H. Marty, 2019-04-16 Offering quick high quality food for the soul 102 Fascinating Bible Studies on the New Testament provides breadth and depth in short but satisfying servings for the busy Christian who wants to delve deep into God's Word but is short on time those who don't want to commit to weeks of study on a single topic the small group searching out subjects for their next study Organized by category these accessible and intriguing offerings span the entire New Testament Topics include the temptations of Jesus miracles the words of Christ on the cross and the Antichrist Each study includes an introduction and Scripture references accompanied by questions that open the door to lively discussion reflection or further investigation The practicality of the fast paced format the scope of the content and the possibilities for ongoing study make these studies truly fascinating      **The Old & New Testament Student** William Rainey Harper, 1890

**New Testament Studies Iv** Adolf von Harnack, 1911      *The Parables of Jesus* Douglas Sean O'Donnell, 2023-10-03 Engaging 12 Week Study Helps Readers Better Understand and Apply God's Word The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout the book 3 Whole Bible Connections show how any given passage connects to the Bible's overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture In *The Parables of Jesus* Douglas Sean O'Donnell helps readers study some of Scripture's most famous narrative parables including the good Samaritan the prodigal son and the rich fool and understand their place in the storyline of Scripture Helpful Bible Study Resource Features date and historical background theological context for the Bible passage Whole Bible Connections compelling reflection questions and more In Depth Ties the biblical text in with the whole story of Scripture shows how each passage unveils the gospel and illuminates the doctrines taught in each passage Part of the Knowing the Bible Series With contributions from an array of influential pastors and church leaders these gospel centered studies help Christians see and cherish the message of God's grace on every page of the Bible      **The Liberation of Method** David Janzen, 2021-10-19 The field of biblical studies has championed the historical critical method as the only way to guarantee objective interpretation But in recent decades women people of color scholars from the Two Thirds World and members of the the LGBTQIA community have pursued hermeneutical approaches that provide interpretations useful for marginalized communities who see the Bible as a resource in their struggles against oppression Such liberative strategies remain at the margins of the field *The Liberation of Method* argues that this marginality must end and that liberative methods should become the central methods of biblical studies The first part of the book draws upon the hermeneutics of philosophical pragmatism to argue that because readers are

responsible for the interpretation there is no necessary connection between the meanings they produce and the ones ancient authors may have intended As a result the historical critical method which prioritizes the study of the ancient contexts of biblical writings becomes an optional rather than a necessary aspect of interpretation The second part of *The Liberation of Method* argues that if we truly hope to create an ethical academic field more privileged scholars and students must see their minoritized colleagues as the leaders in the field as models of the ethical liberative standards of interpretation New Testament Conversations Suzanne Watts Henderson, 2019-08-06 Historical introductions to the New Testament typically devote careful attention to its ancient context exploring these texts against the backdrop of Jewish and Hellenistic thought But biblical scholars have been slower to appreciate the pluralistic setting in which students of all ages read the New Testament today Students today bring to the study of the New Testament an increasing sense that its message while dominant in the Western world for millennia is now just one voice among many religious and philosophical options In this book students encounter the New Testament in relation to the wider landscape of sacred traditions both ancient and contemporary What is more they will reflect on the ways in which both writers and interpreters adopt adapt and elaborate on common views and practices in their own cultural settings Rather than a repository of doctrinal beliefs the New Testament emerges as a lively conversation partner in the human quest for meaning and purpose Several features distinguish *The New Testament Conversation* from other introductions to the New Testament The book combines standard historical and literary scholarship on New Testament writings presented in the body of the work with selected excerpts from non Christian traditions In addition students will encounter diverse interpretations of selected New Testament passages across time and place Finally this book presents historical literary and theological questions as mutually illuminating rather than oppositional This book describes the New Testament's contents as inherently religious responses to the realities of the Roman world both in occupied Palestine and beyond Jesus appears in these texts as a savior who is apocalyptic prophet messianic figure and community organizer As a divinely sanctioned agent of God's coming reign Jesus elicits allegiance to a divine rather than human ruler in ways that carry both religious and socio political implications Thus more than other books this textbook highlights the communal context and implications of each writing **The Publishers' Trade List Annual**, 1884

**International Review of Biblical Studies, Volume 49 (2002-2003)** Bernhard Lang, 2004-02-01 Formerly known by its subtitle *Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete* the *International Review of Biblical Studies* has served the scholarly community ever since its inception in the early 1950s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of

Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered

The Voices of the New Testament Derek Tidball, 2016-03-17 While it is all concerned with the story and significance of Jesus Christ the New Testament is a collection of twenty seven books by at least nine different authors and addressed to individuals or groups in several different locations over a number of years The books adopt very different styles and they often appear at least on the surface to be talking about different issues They are written in the heat of the missionary activity of the early church in its living ever changing context This diversity adds richness to our understanding of the Christian faith and its fundamental beliefs but how might we discover coherence in the teaching of the New Testament without imposing a false synthesis on it or distorting the emphasis of any individual writer In a novel approach Derek Tidball presents a round table conversation between the New Testament authors that both reveals how much they have in common and permits them to make their distinctive or even unique contributions An imaginary chair presides over the discussion and an observer enables further commentary on selected topics Tidball's chosen integrating theme is the good news the gospel about Jesus the Messiah Mark 1:1 He explores why we need the gospel the person and work of Christ who is the gospel the nature of salvation how we respond to and live out the gospel and the ultimate fulfilment of the gospel in terms of a new creation

**Notable sayings of the Great teacher, and other biblical studies** Henry Thorne (evangelist.), 1893      **Bridging the Gap Between Conversation Analysis and Poetics** Raymond F. Person, Jr., Robin Wooffitt, John P. Rae, 2021-12-30 This collection extends the conversation beginning with Gail Jefferson's seminal 1996 article On the Poetics of Ordinary Talk linking the poetics of ordinary talk with the work of poets to bring together critical perspectives on new data from talk in interaction and applications of Jefferson's poetics to literary discourse Bringing together contributions from Conversation Analysis and literary scholars the book begins by analyzing the presentation which served as the genesis for Jefferson's article to highlight the occurrence of poetics in institutional talk The first section then provides an in depth examination of case studies from Conversation Analysis which draw on new data from naturally occurring discourse The second half explores literary poetics as a form of institutional talk emerging from the poetics of ordinary talk offering new possibilities for interpreting work in classics biblical studies folklore studies and contemporary literature Each chapter engages in a discussion of Jefferson's article toward reinforcing the relationships between the two disciplines and indicating a way forward for interdisciplinary scholarship The collection highlights the enduring influence of Jefferson's poetics to our understanding of language both talk in interaction and literary discourse making this book of particular interest to students and researchers in Conversation Analysis literary studies stylistics and pragmatics      *Invitation to the New Testament: Participant Book* David A. deSilva, Dr. Emerson B. Powery, 2011-12-01 Explore the writings of the New Testament using the story of Jesus as the starting point This survey of the testament looks at how the early church took ownership of and was

shaped by the story of Jesus and how the church learned how to develop as disciples and create communities of faith. Participants find a deeper conversation with the writers of the New Testament and a renewal of our commitment to be shaped personally and communally by the story of Jesus. The study is accessible for adults with little prior Bible experience. In the weekly video segments, listen as scholars fascinate you with facts and information that opens new understanding and enlightenment for your group. In the second video, sit in on a table conversation between guest scholars and debate key issues in the text. Participants gain a deeper understanding and appreciation of the New Testament as an integral part of the Christian Bible and a renewed discovery of our identity in God and God's vision for all things. This eight-week study includes a participant book outlining daily reading assignments for group preparations, a leader guide suggesting discussion activities for use in the 60-90 minute weekly meeting, and a video component providing interpretation and context for the biblical texts.

Sessions: Jesus Calls Us Into God's Redemption Story, Jesus Calls Us to a Transformed Life, Jesus Calls Us to Minister to a Hostile World, Jesus Calls Us to Complex Communities of Faith, Jesus Calls Us to Serve One Another, Jesus Calls Us to a New Relationship With Tradition, Jesus Calls Us to Live in Light of His Coming Again, Jesus Calls Us to Experience the Gifts of His Dying and Rising.

Engaging 12-Week Study Helps Readers Better Understand and Apply God's Word. The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: 1. reflection questions help readers engage the text at a deeper level; 2. Gospel Glimpses highlight the gospel of grace throughout the book; 3. Whole Bible Connections show how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and 4. Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture.

In The Sermon on the Mount, Drew Hunter examines the biblical event that led to some of Jesus's most well-known statements, including the Beatitudes. Guiding readers through Matthew 5-7 passage by passage, this guide demonstrates that the Sermon on the Mount is not a disorganized collection of sayings but a series of naturally progressing sections.

Helpful Bible Study Resource Features: date and historical background, theological context for the Bible passage, Whole Bible Connections, compelling reflection questions, and more.

In Depth Ties, the biblical text is woven with the whole story of Scripture, showing how each passage unveils the gospel and illuminates the doctrines taught in each passage.
