**Conversational French Quick and Easy - PART II** Yatir Nitzany, 2020-02-22 Have you always wanted to learn how to speak French but simply didn't have the time? If so, then look no further. You can hold in your hands one of the most advanced and revolutionary methods ever designed for quickly becoming conversational in a language. If your heart has been set on learning French, then the Conversational French Quick and Easy series is the ideal way to learn quickly and comprehensively. The aim is to get you talking to those around you as quickly as possible. The three books in the series work together. In Part 1, you learn the core set of words, three hundred and fifty of them, and then in Part 2, you learn the sentences that you need to supplement the core words. In Part 3, your set of sentences is expanded to increase the topics you can talk about. This set of language tools is all you need to master the language to even greater proficiency and quicker than with other courses. If your previous attempts at learning French have failed, then this series will restore your sense of hope and success. The trick is in identifying which topics are useful and gathering just the right sentences and words. The author draws on his own experiences in learning other languages, which brought him to discover this unique method. In Part 2, you are presented with a wide range of topics for learning conversational languages, and this helps you get involved with greater possibilities for engaging in conversation. This method helps students learn faster and easier. It is a flawless method that has proven itself time and again. If you decide to travel to France, then this book will help you speak the French language. This method has worked for the author and surpasses any other conversational language learning method system currently on the market today. By including social issues such as travel, common themes such as food, daily activities like eating, and essential practices like shopping, it will help you to engage with more people who speak the language you are learning. Learn French today.

**Conversational French Quick and Easy** Yatir Nitzany, 2018-12-26 Have you always wanted to learn how to speak French but simply didn't have the time? Well, if so, then look no further. You can hold in your hands one of the most advanced and revolutionary methods that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and when combined form sentences. Through various other discoveries about how real conversations work, discoveries that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now. If you want to learn complicated grammar rules or to speak perfectly proper and precise French, this book is not for you. However, if you need to actually hold a conversation while on a trip to France to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language while

communicating in the present tense Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away This is one of the several in a series of instructional language guides the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible No more depending on volumes of books of fundamental beginner intermediate and advanced levels all with hundreds of pages in order to learn a language With Conversational French Quick and Easy all you need are fifty three pages Learn French today not tomorrow and get started now
