**The God Questions, Exploring Life's Great Questions About God** Hal Seed, Dan Grider, 2007-10 How do I know that God is real Is the Bible really the Word of God or is it just an ancient book Why are Christians so exclusive Is there really only one way to heaven All of these are tough questions but in The God Questions they are addressed head on with hard hitting facts that tell the truth The God Questions gives brief simple and easy to understand answers to the eight key questions everyone asks about Christianity Divided in 40 short readable chapters this book will help you understand God and the universe He created Book cover Talking to God Thomas L.

Constable, 2005-01-13 Why a theology of prayer Because counterfeit prayer abounds we need Scripture s guidance writes Thomas Constable Praying as God desires requires considering what God has revealed about it As we give prayer our careful attention we gain greater understanding of what he intends it to be Constable details the different forms of communication God invites us to use He identifies the counterfeits that pass for prayer discusses the conditional nature of prayer and explains why some prayers seem to go unanswered

**Conversations with God** Neale Donald Walsch, 2012-06-01 Conversations with God marks Neale Donald Walsch s initial dialogue with God This book discusses personal issues such as prosperity relationships and the nature of spiritual truth with God providing clear understandable answers Further than the author s conversation with God you ll realise that your own understanding and your own conversation with God are the true subjects of this unforgettable text Suppose you could ask God the most puzzling questions about existence questions about love and faith life and death good and evil Suppose God provided clear understandable answers It happened to Neale Donald Walsch It can happen to you You are about to have a conversation Walsch was experiencing a low point in his life when he decided to write a letter to God venting his frustrations What he did not expect was a response As he finished his letter he was moved to continue writing and out came these extraordinary answers to his questions They will amaze you with complex paradoxes that make perfect sense profound logic and astounding truths Here are answers that bring together as one the

deeper meaning of all beliefs and traditions Here are the answers that will change you your life and the way you view other beings For those with an open mind a limitless curiosity and a sincere desire to seek the truth this book is stunning

*Words on Cassette* ,1999      **Texts, Rocks, and Talk** John R. Lanci,2002 In *Texts Rocks and Talk* biblical scholar and teacher John Lanci suggests that many have lost the ability to focus on the essentials to experience a Jesus Christ alive and powerful in our midst He responds by inviting readers on a journey back to the Bible Lanci conveys the experience of interpreting the Bible inviting readers to witness the interpretation of one particular passage from the Hebrew Bible and one from the New Testament from start to finish Along the way he covers some of the same ground that biblical introductions present as he explains what interpreters do and why they do it Readers will gain a deeper understanding of the need to interpret texts and greater confidence in their ability to enter into the conversation that sacred texts provide They will also have a greater confidence in the possibility that their Christian community can open itself up to that divine conversation *Texts Rocks and Talk* can serve as an introduction to the Bible textbook for college undergraduates parish discussion groups or individuals who do not have a lot of theological background but are interested in finding their way into the Bible The chapters are relatively short and clearly written with questions for reflection and discussion Chapters in Preliminaries are Why Take It on the Road What the Bible Is Not and A Preview of Coming Attractions What the Bible Is Chapters in The Song of Songs are Sex on the Page Healthy Suspicion A Walking Staff for Our Journey What is the Book of the Dead and Buried What Archaeology Is and What It Is Not Making the Heart Forget The Love Songs of Ancient Egypt and The Egyptian Love Songs and the Song of Songs The chapter in An Interlude is An Interlude with Jesus and Christ Chapters in First Corinthians are Our Brother Paul We Raise an Eyebrow in Surprise Paul the Corinthians and a Letter The Rhetoric of a Text What Kind of Fool Is God A Little History a Little Wisdom a Little Mystery The Rigamortale of Roman Power and Corinthian Rocks The No Relax Tour Continues into Darker Realms and The Great Reversal Chapters in Talk Counterimagining the World We Confront the Passion of God In Praise of Christian Flesh and The Journey Not the Arrival Matters Includes an Introduction Epilogue and Notes Citations Suggestions for Further Readings      *God-Moses-Me* Stephen Schey,2021-05-07 The Lord would speak to Moses face to face as one speaks to a friend Exod 33 11 In the book of Exodus God provides instructions in the Ten Commandments sacrifices the building of the tabernacle and many other topics In these conversations God is giving Moses direction Moses had forty years in the wilderness speaking with God Apart from the directives what might these friendly conversations be Perhaps they were of a nature similar to those questions and discussions we might have with a friend about our faith In the years I've had reading the Bible and in communion with others many friends have asked me questions and I've asked God many questions as well such as If God were so loving why does he allow so much suffering in the world or Why do bad things happen to good people Rather than search scripture to seek answers many dismiss the faith Indeed we are told that scripture

holds the answers to many of our questions but there is no index in the Bible where we can look up our questions Rather it is in the study and knowledge of God gained from daily reading and meditation that we can truly find answers This book is intended to serve several purposes The first is to illustrate that truly the Bible is the source for answers to our questions and to show how it can be used Secondly many Christians have little knowledge of the Old Testament so taking the questions from the viewpoint of Moses exposes us to the life at that time but also illustrates the many rich traditions and meanings referenced in the New Testament Third Moses is a pillar of the faith and worthy of study on his own because he was a unique and blessed person

**Conversations with God** Neale Donald Walsch, 2010 Suppose you could ask God the most puzzling questions about existence questions about love and faith life and death good and evil Suppose God provided clear understandable answers It happened to Neale Donald Walsch It can happen to you You are about to have a conversation Walsch was experiencing a low point in his life when he decided to write a letter to God venting his frustrations What he did not expect was a response As he finished his letter he was moved to continue writing and out came these extraordinary answers to his questions They will amaze you with complex paradoxes that make perfect sense profound logic and astounding truths Here are answers that bring together as one the deeper meaning of all beliefs and traditions Here are the answers that will change you your life and the way you view other beings For those with an open mind a limitless curiosity and a sincere desire to seek the truth this book is stunning

**Talking God** Jacci Bulman, 2021-06-18 Listening is a valuable and often neglected tool for spiritual learning Talking God invites you to reflect on the personal beliefs many of us hold towards God through listening in on a series of eleven inspiring interviews with people of Christian or Jesus connected faith Each of these dedicated spiritual pilgrims give responses to fourteen searching questions about God Jesus Christ and Christianity which offer a wide range of perspectives on issues of faith and spiritual truth Finding unity in diversity can be difficult It is only by earnestly trying to hear each other that we can learn to celebrate our differences while also looking for threads in the worship of God's love that bind us together

*Talking God* Gary Gutting, 2016-11-22 Through interviews with twelve distinguished philosophers including atheists agnostics and believers Talking God works toward a philosophical understanding and evaluation of religion Along the way Gary Gutting and his interviewees challenge many common assumptions about religious beliefs As tensions simmer and often explode between the secular and the religious forces in modern life the big questions about human belief press ever more urgently Where does belief or its lack originate How can we understand and appreciate religious traditions different from our own Featuring conversations with twelve skeptics atheists agnostics and believers including Alvin Plantinga Philip Kitcher Michael Ruse and John Caputo Talking God offers

new perspectives on religion including the challenge to believers from evolution cutting edge physics and cosmology arguments both for and against atheism and meditations on the value of secular humanism and faith in the modern world Experts offer insights on Islam Buddhism and Hinduism as well as Judaism and Christianity Topical and illuminating Talking God gives readers a deeper understanding of faith today and how philosophers understand it From Talking God Some say Buddhism is not a religion because Buddhists don t believe in a supreme being This simply ignores the fact that many religions are not theistic in this sense Chess is a game despite the fact that it is not played with a ball after all Jay Garfield from chapter 10 Buddhism Religion Without Divinity Why think that the creator was all knowing and omnipotent Maybe the creator was a student god and only got a B minus on this project Louise Antony from chapter 2 A Case for Atheism There are a large number maybe a couple of dozen of pretty good theistic arguments None is conclusive but each or at any rate the whole bunch taken together is about as strong as philosophical arguments ordinarily get Alvin Plantinga from chapter 1 A Case for Theism If you cease to believe in a particular religious creed like Calvinism or Catholicism you have changed your mind and adopted a new position But if you lose faith everything is lost You have lost your faith in life lost hope in the future lost heart and you cannot go on John Caputo from chapter 3 Religion and Deconstruction
