## **Conversations With Nostradamus Volume One His Prophecies Explained:**

*Conversations with Nostradamus: Volume 2* Dolores Cannon, 1990-01-01 Originally printed in 1989 each edition has added updates of events predicted by Nostradamus that have occurred since the last edition For this newest edition regressionist and psychic researcher Dolores Cannon has written an extensive addendum that covers evidence of the fulfilment of the prophecies predicted by Nostradamus Secret weapons computers the World Wide Web and the New Science of Nano technology are included among the new topics covered Nostradamus broke through to our time period by a one in a million chance contact through hypnosis In this series the master himself explains the puzzles he carefully concealed in code within his famous quatrains or prophecies Contains 136 quatrains      *Conversations with Nostradamus: Volume 1* Nostradamus (Spirit), Dolores Cannon, 1992 The third and final book in their series contains 132 additional quatrains written and deciphered by Nostradamus himself plus the exposure of bogus quatrains erroneously attributed to the great psychic Dolores Cannon has pierced the veil of the space time continuum by her use of regressive hypnosis to bring us warnings of events to come This volume continues to work through various subjects and completes the interpretation of all the known prophecies      *An End to All Disease* Lt. Lawrence F. Frego, 2006-07-19 We are at the crossroads of world health On the one hand we face the possibility of a world wide pandemic the likes of which has never been seen before We are likewise on the threshold of discovering natural cures for nearly every disease As choosing wisely may mean the difference between life and death this book is designed to help the reader choose alternative options that are seldom if ever in the news Jared Diamond in his groundbreaking work *Collapse How Societies Choose to Fail or Succeed* addresses the fact that only civilizations that recognize the threats against their existence and deal with the threat effectively survive Civilizations with their heads in the sand become extinct or are conquered by more vigorous nations The robber barons of the last century were able to create a monopoly for oil and the automobile by ruthlessly and systematically destroying all competition They tore up cable car lines and public transportation so the public would have no other alternative except their oil Today the drug monopolies owned by the descendants of these same robber barons are nearly complete in their plot to eradicate all natural low cost remedies for disease prevention and treatment In the state of Florida naturopathic physicians were de licensed unless they also had a conventional medical license The powers that be want to create a drug induced society at an enormous financial and emotional cost to the public at large They are even trying to outlaw vitamins via European health treaties and side step the American constitution and the public The ever escalating cost of medical care created by lack of natural alternative options can only lead to the eventual total collapse of the entire medical system It is exceedingly difficult finding the truth about alternative medicine as the system has a vested interest in making profits and keeping the truth from you A few thousand deaths is an acceptable loss if a few billion dollars can be made And it will be a cold day in hell before a drug company puts itself out of business by telling you about a low cost natural cure that their product can manage The guardians of public

health know which side their toast is buttered on also The career politicians and beltway bandits at the FDA know where the money is and they dont get it from you or providers of natural cures The drug monopolies pay the big bucks There have been no checks and balances Corruption has become so pronounced that the US House of Representatives is seeking to pass the Consumers Access to Health Information Act H R 2352 to ensure that accurate health claims ARE NOT SUPPRESSED Consumers would be given TRUTHFUL AND COMPLETE information about the curative mitigation treatment and prevention effects of foods and dietary supplements on disease or health related conditions The time to exercise your God given right to the health care of your choice is now [www lef org](http://www.lef.org) America has the finest emergency health care in the world Bar none However that is not the nature of the coming threat American baby boomers will soon be retiring in the tens of millions Their health care needs will be staggering and costly However 92% of American health care providers are trained in emergency medicine and only 8% in long term preventative medicine As it takes a minimum of 6 7 years to obtain a medical degree America is unprepared for a crisis that is inevitable
