Conversations With Kurt Vonnegut

Harold Bloom

Conversations With Kurt Vonnegut:

Conversations with Kurt Vonnegut Kurt Vonnegut, 1988 Gathers interviews with Vonnegut from each period of his career and offers a brief profile of his life and accomplishments *Conversations with Kurt Vonnegut* Kurt

Vonnegut, William Richard Allen, 1988 Gathers interviews with Vonnegut from each period of his career and offers a brief profile of his life and accomplishments

Kurt Vonnegut: The Last Interview Kurt Vonnegut, 2011-12-16 One of the great American iconoclasts holds forth on politics war books and writers and his personal life in a series of conversations including his last published interview During his long career Kurt Vonnegut won international praise for his novels plays and essays In this new anthology of conversations with Vonnegut which collects interviews from throughout his career we learn much about what drove Vonnegut to write and how he viewed his work at the end From Kurt Vonnegut's last interview Is there another book in you by chance No Look I'm 84 years old Writers of fiction have usually done their best work by the time they're 45 Chess masters are through when they're 35 and so are baseball players There are plenty of other people writing Let them do it So what's the old man's game then My country is in ruins So I'm a fish in a poisoned fishbowl I'm mostly just heartsick about this There should have been hope This should have been a great country But we are despised all over the world now I was hoping to build a country and add to its literature That's why I served in World War II and that's why I wrote books When someone reads one of your books what would you like them to take from the experience Well I'd like the guy or the girl of course to put the book down and think This is the greatest man who ever lived **Conversations with Kurt**

Vonnegut Kurt Vonnegut, 1988 Gathers interviews with Vonnegut from each period of his career and offers a brief profile of his life and accomplishments *Like Shaking Hands with God* Kurt Vonnegut, Lee Stringer, 1999 Rarely have two writers

spoken so candidly about the intersection where the lives they live meet the art they practice That these two writers happen to be Kurt Vonnegut and Lee Stringer make this an historic and joyous occasion A little book filled with human profound and beautiful musings on life *Understanding Kurt Vonnegut* William Rodney Allen, 1991 LITERARY STUDIES FROM C 1900

This is a critical companion to Vonnegut's early novels Understanding Kurt Vonnegut is a critical analysis of Vonnegut's fiction as a point of entrance for students and general readers alike In close readings of Vonnegut's novels William Rodney Allen examines the distinctive stylistic thematic and formally innovative elements that earned Vonnegut 1922-2007 a mass following especially among young readers as well as critical respect among scholars **Conversation with Kurt Vonnegut**

Heywood Hale Broun, 1975 **The Cambridge Companion to American Novelists** Timothy Parrish, 2013 This volume provides newly commissioned essays from leading scholars and critics on the social and cultural history of the novel in America It explores the work of the most influential American novelists of the past 200 years including Melville Twain James Wharton Cather Faulkner Ellison Pynchon and Morrison **Interviews and Conversations with 20th-century Authors**

Writing in English Stan A. Vrana, 1982 To find more information about Rowman and Littlefield titles please visit www

rowmanlittlefield.com *The Short Fiction of Kurt Vonnegut* Peter Reed, 1997-10-30 Kurt Vonnegut's career as a novelist encompasses virtually the whole second half of the twentieth century and his novels are among the most widely read in America. Yet Vonnegut enjoyed another successful career as a short story writer. His short fiction brought him much acclaim in the early years of his writing career and made him visible to a very large audience. His stories were illustrated by some of the best artists in the business and were featured prominently in leading magazines such as *Collier's*, the *Saturday Evening Post*, *Ladies Home Journal*, *Cosmopolitan*, and *Argosy*. Commentary on Vonnegut has generally separated his career as a novelist from his career as a short story writer. This volume provides a detailed analysis of Vonnegut's short fiction and shows that his short stories are an integral part of his overall canon. The short stories do not simply precede Vonnegut's novels. There is an extensive overlap of the publication of his novels and his shorter works. In writing short fiction, Vonnegut learned and practiced many of the skills and techniques that he employs in his novels. This volume begins by examining the relationship of the short fiction to the larger body of Vonnegut's writings. It then examines Vonnegut's earliest training as a writer during his high school years and as a college journalist. The chapters that follow are then devoted to later periods in his life: the development of his short stories and the recurrence of their techniques and content in Vonnegut's novels. The study concludes with a reassessment of the importance of the short story to Vonnegut's canon. **Kurt Vonnegut** Harold Bloom, 2009 Collects eleven critical essays on various works by American writer Kurt Vonnegut covering texts such as *Slaughterhouse-Five* and *Cat's Cradle*. **Talking Vonnegut** Charles D. Augello, 2023-03-09 This collection of 29 interviews explores the outer reaches of the Kurt Vonnegut universe. Conversations reveal how Robert B. Weide's letter to Kurt led to a long friendship and an acclaimed documentary; how readers in the former Soviet Union fell in love with Vonnegut during the Cold War; how Ryan North and Albert Monteys adapted *Slaughterhouse-Five* into a graphic novel; how two podcasters introduced him to a new generation of readers; and how Vonnegut's time teaching at the Iowa Writers Workshop helped transform him from an unknown paperback writer into a literary superstar. Also included are eight original essays by the author. These cover Vonnegut's thoughts on guns and loneliness, evaluate his posthumous publications, offer a guide to the best Vonnegut videos available online, and ask questions like "Was Kurt Vonnegut secretly a romance writer?" A valuable resource for students, scholars, and fans, this book offers windows into Vonnegut's life and art that are often overlooked in standard biographies. **Unstuck in Time** Gregory D. Sumner, 2011-11-08 In *Unstuck in Time*, Gregory Sumner guides us with insight and passion through a biography of fifteen of Kurt Vonnegut's best-known works, his fourteen novels starting with *Player Piano* (1952) all the way to an epilogue on his last book, *A Man Without a Country* (2005), to illustrate the quintessential American writer's profound engagement with the American Dream in its various forms. Sumner gives us a poignant portrait of Vonnegut and his resistance to celebrating the traditional values associated with the American Dream: grandiose ambition, unbridled material success, rugged individualism, and winners over losers. Instead of a celebration of these

values we read and share Vonnegut's outrage his brokenhearted empathy for those who struggle under the ethos of survival of the fittest in the frontier mentality something he once memorably described as an impossibly tough minded experiment in loneliness Heroic and tragic Vonnegut's novels reflect the pain of his own life's experiences relieved by small acts of kindness friendship and love that exemplify another way of living another sort of human utopia an alternative American Dream and the reason we always return to his books

Science Fiction, Fantasy & Horror, 1989 A comprehensive bibliography of books and short fiction published in the English language

Behaving Decently Wayne Laufert, 2022-06-21 Kurt Vonnegut and humanism go hand in hand In *Behaving Decently* Kurt Vonnegut's Humanism Wayne Laufert examines how Vonnegut revealed his moral philosophy through the themes and characters in his work and through his public comments Topic by topic Vonnegut's written and spoken views are explored from his first novel *Player Piano* 1952 through his antiwar masterpiece *Slaughterhouse Five* 1969 to the collections of his fiction and nonfiction that appear up till today long after his death in 2007 His speeches essays interviews and journalism which support and expand upon the sentiments in his novels receive proper consideration in this conversational overview of Vonnegut's life and career Religion war politics science art these subjects and more are seen through Vonnegut's perspective and are placed within a larger humanistic outlook His most famous creation the old science fiction writer Kilgore Trout gets his own chapter too Vonnegut called himself a Christ worshipping agnostic a term that *Behaving Decently* analyzes in the context of his upbringing as a freethinker his wartime experience his time in the corporate world and other factors that formed his values Those values are perhaps best expressed by his character Eliot Rosewater the damaged super rich philanthropist God damn it you've got to be kind Vonnegut's real and imagined selves were incorporated into Kurt Vonnegut the author the public speaker the interview subject and even the character that appears in some of his books After all he wrote I myself am a work of fiction That funny wise sometimes depressed persona was humanistic *Behaving Decently* shows the reader how Kurt Vonnegut reminded us to take small steps along hopeful paths to kindness and community and dignity and art and farting around

Vonnegut and Me Greg Mitchell, 2013 A profile of author Kurt Vonnegut with excerpts from Greg Mitchell's interviews with and letters from Vonnegut

[Martin Luther King, Jr.: The Last Interview](#)

Martin Luther King, Jr., 2017-01-03 As the Black Lives Matter movement gains momentum and books like Ta Nehisi Coates's *Between the World and Me* and Claudia Rankine's *Citizen* swing national attention toward the racism and violence that continue to poison our communities it's as urgent now as ever to celebrate Martin Luther King Jr whose insistence on

equality and peace defined the Civil Rights Movement and forever changed the course of American history This collection ranges from an early 1961 interview in which King describes his reasons for joining the ministry after considering medicine to a 1964 conversation with Robert Penn Warren to his last interview which was conducted on stage at the convention of the Rabbinical Assembly just ten days before King s assassination Timely poignant and inspiring Martin Luther King Jr The Last Interview is an essential addition to the Last Interview series
