## **Conversations With Primo Levi:**

Conversations with Primo Levi Primo Levi, Ferdinando Camon, 1989 In conversations in Turin from 1982 to 1986 Levi spoke of the war of anti-Semitism of the camps of the German guilt of the emergence of Israel and of his own extraordinary life and his extraordinary work Cover Conversations with Primo Levi [by] Ferdinando Camon Primo Levi, Ferdinando Camon, 1990 **Conversations** Primo Levi, Tullio Regge, 1992 A record of the dialogue which took place between the Italian writer Primo Levi and eminent physicist Tullio Regge Phone conversation with Primo Levi Stefano Bartezzaghi, 2012

*The Rise of the Memoir* Alex Zwerdling, 2017 *The Rise of the Memoir* traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story *Conversations avec Primo Levi* Ferdinando Camon, Primo Levi, 1991

remarkable series of conversations about his early life with a friend and fellow writer Giovanni Tesio This book is the result of those meetings originally intended to be the basis for an authorized biography and published here in English for the first time In a densely packed dialogue Levi responds to Tesio s tactful and never too insistent questions with a watchful readiness and candour breaking through the reserve of his public persona to allow a more intimate self to emerge Following the thread of memory he lucidly discusses his family his childhood his education during the Fascist period his adolescent friendships his reading his shyness and his passion for mountaineering and recounts his wartime experience as a partisan and the terrible

price it exacted from him and his comrades Though we glimpse his later life as a writer the story breaks off just before his deportation to Auschwitz owing to his sudden death In *The Last Interview* Levi the man the witness the chemist and the writer all unite to offer us a story which is also a window onto history These conversations shed new light on Levi's life and will appeal to the many readers of this most eloquent witness to the horrors of the Holocaust

**Conversations and Reflections** Emyr Humphreys, 2002 Conversations and Reflections brings together the previously uncollected occasional writings of Emyr Humphreys the major novelist of twentieth century Wales It maps the historical and cultural background to the work of a writer who was described by R S Thomas as the supreme interpreter of Welsh life in English This selection of the most important essays published by Emyr Humphreys over a fifty year period reveals the commanding range of his

interests and confirms his stature as Wales's leading man of letters. Dealing with themes ranging from sixth century literature to the twentieth century media, these essays address the cultural commitments from which Emyr Humphreys' creative writing takes its bearings, as well as being a major author's statements on his Wales past and present. The essays are interwoven with a parallel series of discussions conducted with M.
