Cookoff Recipe Fever In America:

Cookoff Amy Sutherland,2004-05-25 Cookoff Recipe Fever in America is an anecdotal and entertaining look at the amazingly extensive subculture of cooking contests in America Such contests range in importance from Spam contests at county fairs to the granddaddy of them all the Pillsbury Bake Off in San Francisco where the grand prize is a cool million In between are contests local and national sponsored by agricultural groups corporations and neighborhoods Competing in these contests are not only casual entrants but testers mostly women for whom the recipe contest is a way of life Journalist Amy Sutherland follows a small group of such testers through a year on the contest circuit beginning with the National Chicken Cook off and culminating in the Pillsbury Bake Off Along the way we ll be introduced to well known cook off luminaries as well as to some of the most bizarre cooks and the recipes concocted for their national contests *Chili Cook-off in a Box Handbook* Gina Hyams,2012-09-11 The author of Pie Contest in a Box gets chili fans fired up with a playful kit with judge and prize ribbons scorecards and an instruction manual Statesman Chili cook offs a fall tradition have exploded in popularity over the last several years Easy to organize and yummy to participate in chili cook offs are a perfect entertaining event The booklet in Chili Cook Off in a Box explains why chili cook offs matter today and describes the history of chili from pre Columbian campfires to today s vegan versions It gives instructions on how to organize the event around themes such as five alarm vegetarian carnivore s delight red chili green chili etc and has profiles of chili cook off winners with prize winning recipes and tips Included in the ebook is a link to download and print the following items which makes it easy to customize your own materials Sheet to Track Entries name type of chili designated number Numbered Table Tents so judges don t know whose chili is whose Scorecards rating taste texture appearance creativity Judge Badges Prize Ribbons for Contest Winners It would make a fun gift book kit for a chilihead and certainly is a must have for anyone hosting a chili throwdown Shockingly Delicious **Georgia's Historical Recipes** Valerie J. Frey,2025-05-01 Georgia s Historical Recipes is an exploration of our state s oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J Frey This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time Some sections highlight a single recipe illustrating how changes in technology agriculture transportation communication and social patterns led to changes in Georgia kitchens Most of the recipes are previously unpublished waiting in archives to be rediscovered Other sections explore our oldest cookbooks offering biographical and cultural background information that makes them more meaningful For the first time Georgians have a list of the state s early cookbooks and its cooking experts Readers will learn where to find Georgia s oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia s past *Preserving Family Recipes* Valerie J. Frey,2015-11-01 Heirloom dishes and family food traditions

are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are written down they often fail to give the tricks and tips that would allow another cook to accurately replicate the dish Unfortunately recipes are also often damaged as we plunk Grandma s handwritten cards on the countertop next to a steaming pot or a spattering mixer shortening their lives This book is a guide for gathering adjusting supplementing and safely preserving family recipes and for interviewing relatives collecting oral histories and conducting kitchen visits to document family food traditions from the everyday to special occasions It blends commonsense tips with sound archival principles helping you achieve effective results while avoiding unnecessary pitfalls Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans surrogates or terribly outdated Whether you simply want to save a few accurate recipes help yesterday s foodways evolve so they are relevant for today s table or create an extensive family cookbook this guidebook will help you to savor your memories

Garlic Capital of the World Pauline Adema,2010-02-17 According to Pauline Adema you smell Gilroy California before you see it In *Garlic Capital of the World* the folklorist and culinary anthropologist examines the role of food and festivals in creating a place brand or marketable identity The author scrutinizes how Gilroy California successfully transformed a negative association with the pungent bulb into a highly successful tourism and marketing campaign This book explores how local initiatives led to an iconization of the humble product in Gilroy The city a well established agricultural center and bedroom community south of San Francisco rapidly built a place brand identity based on its now famous moniker Garlic Capital of the World To understand Gilroy s success in transforming a local crop into a tourist draw Adema contrasts the development of this now thriving festival with events surrounding the launch and demise of the PigFest in Coppell Texas Indeed the Garlic Festival is so successful that the event is all that many people know about Gilroy Adema explores the creation and subsequent selling of foodscapes or food themed place identities This seemingly ubiquitous practice is readily visible across the country at festivals celebrating edibles like tomatoes peaches spinach and even cauliflower Food Adema contends is an attractive focus for image makers charged with community building and place differentiation Not only is it good to eat food can be a palatable and marketable symbol for a town or region
