Legal Basis for a National Space Legislation

Julian Hermida,2006-04-11 A GENERAL BACKGROUND The foremost goal of the international community in the area of private space launch services should be to induce states to implement effective licensing procedures applicable to commercial ventures for which state responsibility may 1 exist 1 PRIVATE SECTOR PARTICIPATION IN THE SPACE INDUSTRY In the first decades of the space age military and state security motivations indicated the direction of national space programs Now the development of space activities depends essentially upon the possibility of recovering 2 investments Private sector driven commercial endeavors in outer space have been increasing exponentially and have experienced a significant quantitative growth over the last years Spacefarers promote commercial participation of private companies in operations related to outer space and thus the private sector is now increasingly providing satellite telecommunications remote sensing global positioning and space launch services directly to its customers In this context overall revenues for the worldwide space industry 3 amounted to US 82 billion in 2001 In the late 1990 s the transponder demand in particular Ku band transponders was consistently on the rise due 4 to the escalated utilization of geostationary satellite transponders Global positioning systems have been playing an increasingly important role in navigation and remote sensing systems are mapping and documenting nearly 1 E A Frankle E J Steptoe Legal Considerations Affecting Commercial Space Launches From International Territory 1999 50 IISL at 10 Emphasis added 2 H L

Regional Integration and Modernity Natalie J. Doyle,Lorenza Sebesta,2014-09-26 This book offers a new framework for comparing experiences of integration regionalization must be reinterpreted as an aspect of modernization modernization unfolding also at the local national and global levels The contributors discuss how and why the different visions of modernity that inform modernization projects encouraged the construction or rejection of regional integration at different times and in different places It starts with an analysis of plans for the economic integration of Europe in the aftermath of World War I It shows how integration was identified as the means to modernize the region with a view to helping it overcome political fragmentation and adapt to new conditions of global capitalism It then turns to the debate on modernization unfolding in the era that constituted the formative period of integration for both Europe and Latin America It analyses examples of the complex interaction between these two different experiences as it extends into the present Finally it looks at the social and political actors that promoted integration in the two regions and at the discourse they formulated to do so

Frontiers - Law, Theory and Cases Dimitri Endrizzi,Jairo Becerra,Eduardo Andrés Perafán Del Campo,Jaime Cubides Cárdenas,Laura Cecilia Gamarra-Amaya,2023-03-01 This book focuses on current frontier related issues such as humanitarian crises economic crises discrimination of migrants in certain countries different typologies of borders such as land maritime air space and even cyberspace borders and environmental protection of water resources at borders It addresses legal and theoretical

considerations and presents empirical cases showing the manifestations of the concept in the real world and its dynamics Without claiming to exhaust the debate on frontiers especially given the breadth of the subject and the large number of viewpoints from which the phenomenon can be examined this book intends to be a helpful source of insights for academics university students and others who wish to explore the complex and multifaceted worlds that emerge particularly in a globalized society from the interaction between the various actors and scenarios that shape the reality of frontiers

Cooperación espacial comunitaria Sandra Cecilia Negro,1997 Paralelamente al lanzamiento de los satélites que recorren la órbita terrestre se inicia el camino de la normativa jurídico institucional para ordenar las nuevas relaciones internacionales Y no cabe duda de que estas tienen en la cooperación y en la integración sus protagonistas destacadas Sandra Cecilia Negro manejando impecablemente conceptos de Derecho Internacional y del Derecho de la Integración analiza la cooperación espacial comunitaria en Europa el Sudeste Asiático la Cuenca del Pacífico y nuestro joven Mercosur donde no faltan reflexiones sobre el Plan Espacial Nacional argentino Asigna el mapa ampliado del hombre de este siglo en el que encontramos fundamentalmente bloques regionales más que países y al que las telecomunicaciones satelitales han dado una dimensión absolutamente nueva **Proceedings** ,2000 **Bibliographic Guide to Latin American Studies** ,1979
