Cop Story:

101 Reasons Why You Should Not Become A Cop James Richard Warner, 2005-09 The real world of law enforcement often bears little similarity to the action packed police dramas depicted on television and in the movies Many people who are drawn into a career in law enforcement have little knowledge about the trials and tribulations faced by police officers in contemporary society Author James Warner offers an objective point of view on this crisis in his insightful book 101 Reasons Why You Should Not Become A Cop With a diverse background including over nineteen years of experience as a police officer traffic officer police supervisor and field training supervisor Warner delivers an honest portrayal of the negative aspects of law enforcement He has spent numerous years collecting true life experiences from present and retired officers and from ex police officers who resigned from the force Some of the stories include The Heavy Badge Syndrome Injuries on the Job The Quasi Military Nature of Law Enforcement Marriage Is a Hobby 101 Reasons Why Not To Become A Cop is a valuable resource for anyone considering a career in law enforcement as well as a source of humor and comfort for veteran officers
