Conventional Wisdom The Content Of Musical Form Ernest Bloch Lectures:

Conventional Wisdom Susan McClary, 2000 McClary offers an analysis of our own cultural moment in terms of two dominant traditions tonality and blues Jacket **Postmodernity's Musical Pasts** Tina Frühauf, 2020 Postmodernity's Musical Pasts covers topics from classical to popular and neo traditional musics to concerns of the disciplines of musicology Such varied topics mirror the eclectic and diverse nature of the postwar era itself Christian Congregational Music Monique Ingalls, Carolyn Landau, Tom Wagner, 2016-05-23 Christian Congregational Music explores the role of congregational music in Christian religious experience examining how musicians and worshippers perform identify with and experience belief through musical praxis Contributors from a broad range of fields including music studies theology literature and cultural anthropology present interdisciplinary perspectives on a variety of congregational musical styles from African American gospel music to evangelical praise and worship music to Mennonite hymnody within contemporary Europe and North America In addressing the themes of performance identity and experience the volume explores several topics of interest to a broader humanities and social sciences readership including the influence of globalization and mass mediation on congregational music style and performance the use of congregational music to shape multifaceted identities the role of mass mediated congregational music in shaping transnational communities and the function of music in embodying and imparting religious belief and knowledge In demonstrating the complex relationship between traditional and contemporary sounds and local and global identifications within the practice of congregational music the plurality of approaches represented in this book as well as the range of musical repertoires explored aims to serve as a model for future congregational music scholarship *College Music Curricula for a New Century* Robin D. Moore, 2017-04-03 Critiques and calls for reform have existed for decades within music education but few publications have offered concrete suggestions as to how things might be done differently Motivated by a desire to do just that College Music Curricula for a New Century considers what a more inclusive dynamic and socially engaged curriculum of musical study might look like in universities Editor Robin Moore creates a dialogue among faculty administrators and students about what the future of college music instruction should be and how teachers institutions and organizations can transition to new paradigms Including contributions from leading figures in ethnomusicology music education theory composition professional performance and administration College Music Curricula for a New Century addresses college level curriculum reform focusing primarily on performance and music education degrees and offer ideas and examples for a more inclusive dynamic and socially engaged curriculum of applied musical study This book will appeal to thoughtful faculty looking for direction on how to enact reform to graduate students with investment in shaping future music curricula and to administrators who know change is on the horizon and seek wisdom and practical advice for implementing change College Music Curricula for a New Century reaches far beyond any musical subdiscipline and addresses issues pertinent to all areas of music study Blues, Funk, Rhythm and

Blues, Soul, Hip Hop, and Rap Eddie S. Meadows, 2010-06-10 Despite the influence of African American music and study as a worldwide phenomenon no comprehensive and fully annotated reference tool currently exists that covers the wide range of genres This much needed bibliography fills an important gap in this research area and will prove an indispensable resource for librarians and scholars studying African American music and culture *Notes Music Library Association*, 2001

Understanding Narrative James Phelan, Peter J. Rabinowitz, 1994 Offering essays that consider familiar and unfamiliar narratives from Bronte's Shirley to Myra Page's Moscow Yankee from Mozart's Prague Symphony to Mungo Park's Travels in the Interior of Africa *Understanding Narrative* exemplifies the range of work that this series seeks to promote Students and scholars of British and American literature film and critical theory will find this volume a welcome addition to the series
