Conversations with Andrew Greeley Andrew M. Greeley, Ronald D. Pasquariello, 1988 *No Abiding Place* Fred Herron, 2005-02-17 Thomas Merton played a critical role in facilitating and embodying a revolutionary paradigm shift in Catholic life and thought His public grappling with the issues raised by this shift in the life of the Catholic Church provided a vocabulary with which a generation of seekers has attempted to frame an on going discussion regarding the future of the Catholic Church Consequently Merton s life and thought continue to be guideposts for spiritual pilgrims confronting issues of authority in the church a changing moral landscape and the contemporary crisis in the Catholic Church Part One of the book describes this profound paradigm shift and locates Merton s developing thought within that landscape It places Merton s thought within the larger framework of the Catholic imagination as described by David Tracy Andrew Greeley and Thomas Groome The landmark research of Robert Wuthnow of Princeton University concerning the nature of contemporary spiritual seeking provides a framework that helps to identify Merton s continuing relevance for the study of spirituality Parts Two and Three discuss Merton s lasting importance for contemporary spirituality **A Theology of Conversation** Stephen Okey, 2018-10-10 Sometimes described as a theologian s theologian David Tracy s scholarship has impacted countless thinkers around the globe The complexity of his thought however has often made engaging his work into a daunting challenge Combining analysis of the most influential features of Tracy s theology theological method the religious classic public theology with a retrieval of his more overlooked interests Christology God Stephen Okey presents the essential themes of Tracy s career in accessible and insightful prose Combing the Tradition Fred Herron, 2007 This is a sketchbook of the twin realities of Catholic faith and Catholic schools A theological vision of the Catholic religious imagination provides the framework for viewing these realities from different angles Taking Pope Benedict XVI s remark that truth is in the Whole this book looks at Catholic faith and education from the rich perspective of the sacramental or Catholic imagination Historian John Tracy Ellis s conviction that this age will be known as the era of baptismal consciousness reflects a growing awareness in the entire Christian community that it must take its responsibilities in evangelization seriously Combing the Tradition is an attempt to comb the Catholic tradition from the point of view of this re emerging baptismal consciousness It marvels at the role that Catholic schools teachers parents and students play in recreating this great truth It finds God s loving hand at work in the lives of citizens seeking meaning at Ground Zero in the re emerging theology of the domestic church and in understanding the task of Catholic education It raises questions concerning the impact of consumer society on the lives of our young people and finds hope in schools which continue to shape the religious imaginations of the next generation of a community of disciples Martin Scorsese and the American Dream Jim Cullen, 2021-06-18 More than perhaps any other major filmmaker Martin Scorsese has grappled with the idea of the American Dream His movies are full of working class strivers hoping for a better life from the titular waitress and aspiring singer of Alice Doesn t Live Here Anymore to the

scrappy Irish immigrants of Gangs of New York And in films as varied as Casino The Aviator and The Wolf of Wall Street he vividly displays the glamour and power that can come with the fulfillment of that dream but he also shows how it can turn into a nightmare of violence corruption and greed This book is the first study of Scorsese s profound ambivalence toward the American Dream the ways it drives some men and women to aspire to greatness but leaves others seduced and abandoned Showing that Scorsese understands the American dream in terms of a tension between provincialism and cosmopolitanism Jim Cullen offers a new lens through which to view such seemingly atypical Scorsese films as The Age of Innocence Hugo and Kundun Fast paced instructive and resonant Martin Scorsese and the American Dream illuminates an important dimension of our national life and how a great artist has brought it into focus **Irish America** ,1989 **Beacham's Encyclopedia of Popular Fiction** Kirk H. Beetz,1996 **Interviews and Conversations with 20th-century Authors Writing in English: 1980-1985 and 1900-1980 addenda** Stan A. Vrana,1990 **The Publishers Weekly** ,1891 *Christianity & Feminism in Conversation* Regina Coll,1994 Coll traces her work through Scripture calling on models from both the Old and New Testaments Concepts of Christian theology such as the Trinity sin Jesus grace and Mary are discussed and interpreted in terms of practical application and historical significance Discussion questions end notes and an extensive bibliography enhance the value of this book **Endangered Species** Lawrence Grobel,2001-06-06 Norman Mailer once told Lawrence Grobel that writers may be an endangered species And Saul Bellow said The country has changed so that what I do no longer signifies anything as it did when I was young But to judge from this collection writers and writing aren t done for quite yet Sometimes serious sometimes funny sometimes caustic always passionate the twelve writers in Endangered Species memorably state their case for what they do and how they do it And they even offer an opinion or two about other writers and about the entire publishing food chain from agents to publishers to booksellers to critics *The Re-Enchantment of the West* Christopher Partridge,2004 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an alternative spiritual re enchantment of society and culture *Windows* Andrew M. Greeley,1995 The third volume in a trilogy that includes *Sacraments of Love* and *Love Affair* Windows is a series of conversations with God a window to Greeley s soul The conversations also mirror contemporary events in the church and in the world that reveal the grace that runs through all our lives **Contemporary Popular Writers** Dave Mote,1997 Included are authors both living and dead who were active in the early 1960s or later and remain popular in the mid 1990s representing several fiction and nonfiction categories including poets short story writers biographers and other niche authors Page xi **Fellowship of Catholic Scholars Quarterly** ,2004 *The Senator and the Priest* Andrew M. Greeley,2025-08-22 One of America s most beloved storytellers Father Andrew Greeley returns with an explosive novel about the corrosive political culture tearing apart America and one man s family Tommy Moran an Irish Catholic kid from the West Side of Chicago fights for the underprivileged on the floor of the

United States Senate Swearing off negative attack ads Moran is determined to restore civility and compassion to American politics But his opponents don t share his scruples Almost from the beginning Tommy and his family find themselves besieged by vicious personal attacks false rumors and attempts at assassination As a freshman senator Tommy must also cope with the temptations both political and carnal regularly thrown his way The job takes its toll on him but at least he has the support and love of his devoted wife a daughter of Chicago s raucous O Malley family But the opposition that hits home the hardest comes from an unlikely source his own brother Father Tony Moran a conservative Catholic priest has never approved of Tommy s senatorial career much to Tommy s dismay So when Father Tony sides with Tommy s political enemies it may be more than one man can bear Can anything heal the rift between the Senator and the Priest At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Golden Years** Andrew M. Greeley, 2004-11
