Conversations with Sasquatch Richard Rensberry, 2021-03 Conversations With Sasquatch Cross Over is the continuing saga into the magical and misunderstood world of the Sasquatch Bigfoot Here our author meets with the Bigfoot Council of Elders and is shown and gifted copies of the Bigfoot Parchments by Rutheus the young leader of the Council The Parchments contain valuable lessons on the Sasquatch powers of mind reading and how to warp space in order to appear and disappear at will They also contain lessons on the basic natural laws of creation itself With Parchments in hand our author is assigned the daunting task of altering the downward spiral on which the human race is fully embarked Conversations With Sasquatch may very well be man's final chance to get it right
