Conversations With Eugene O'Neill:

Conversations with Eugene O'Neill Eugene O'Neill, 1990 This collection of thirty years of interviews with America's only Nobel Prize dramatist records his encounters with the press and gives a striking portrait of the man and the process of his public mythologizing. A profoundly private individual, O'Neill struggled throughout his life to overcome his intense discomfort with oral discourse as he responded to the probing of interviewers wishing him to discuss a wide range of social, political, literary, and theatrical issues. Collected in their entirety for the first time, these interviews begin in 1920 when O'Neill was thirty-two. Serious American drama for many began and for many others ended with Eugene O'Neill. This collection lends new testimony to the truth of that assertion. Interviews and Conversations with 20th-century Authors Writing in English Stan A. Conversations on Contemporary Drama Clayton Meeker Hamilton, 1924 **Conversations with William Styron** James L. W. West, 1985 This is a selection of interviews with William Styron published during the period 1951-1984 from the months just following publication of *Lie Down in Darkness*, his first novel, to the period after publication of *Sophie's Choice*. Some twenty-five interviews are reprinted here, including six that are translated from the French and published in this country for the first time. Styron is one of the most frequently interviewed writers of his generation. Unlike Faulkner, to whom he was often compared early in his career, Styron has learned to be a patient and cooperative interview subject. His comments in these interviews reveal much about the sources of his fiction and about his early life. He also reacts to attacks on his work, comments on his mission as a writer, and describes his compositional habits. This is a useful collection for those who wish to know Styron better and to be guided by his conversations to clearer insights into his writing. For scholars and for general

Conversations with William Kennedy William Kennedy, 1997 To read these interviews given between 1969 and 1996 is to gain insights into William Kennedy's high seriousness in pursuing the craft of fiction and to witness the artistic growth of this remarkable writer. The twenty-four interviews in this collection reveal how the opportunities and challenges in Kennedy's writing life parallel those other contemporary writers have faced in the last years of the century. The high drama of imagined worlds, he says, becomes a Rosetta Stone, the key that unlocks the very real mysteries and complexities of our daily lives. You're inventing out of a confluence of known facts and random ideas, he says, about the process of writing juxtaposing reality and abstractions and then wham! You've got something brand new in your head and on the page. You're functioning on a plane of existence you didn't know was possible. That's creation and it's profound pleasure. It's what you live for. Readers of these interviews will be privy to another process as well, the arduous but exciting process by which Kennedy has emerged as a major voice in contemporary letters. His meteoric rise to fame in 1983 and his continuing popularity since are the stuff of

drama and folklore In that year his novel *Ironweed* rejected earlier by thirteen publishers was finally published by Viking It earned him a MacArthur Award the New York Book Critics Circle Award and a Pulitzer Prize Governor Mario Cuomo honored him with the New York State Governor's Arts Award and declared that in Kennedy Albany had found its Homer Hollywood came calling and secured screen rights to *Ironweed* Legs and Billy Phelan's *Greatest Game* With Francis Ford Coppola Kennedy co-wrote the screenplay of *The Cotton Club* The career that lifted off with such dramatic momentum has shown no signs of flagging With steady regularity Kennedy continues to add to his Albany Cycle of novels as he experiments boldly with the craft of fiction
