## **Conversations With Greta Garbo:**

**Conversations with Greta Garbo** Sven Broman, Greta Garbo, 1992      **Walking with Garbo** Raymond W. Daum, 1991

After meeting Greta Garbo at a party in the early 1960s Daum was invited by the great actress to accompany her on her strolls around Manhattan. The two became close friends and Daum began to keep notes of Garbo's comments about everything from life in the city to how to make coffee. Daum's reminiscences are linked by Muse's anecdotal biography based on original interviews and archival material never before published. 75 photographs      **Conversations with Bunuel** Max Aub, 2017-05-02 This book features extended conversations with Spanish filmmaker Luis Bunuel 1900-1983 and interviews with his family members, friends, and colleagues including Salvador Dalí, Louis Aragon, and Fernando Rey, conducted by Max Aub in the late 1960s and early 1970s. Notorious for inventing fanciful versions of his life and his creative output, Bunuel was hard put to deceive the astute Max Aub, who shared Bunuel's background in Spain in Paris during the Spanish Civil War and in Mexico where they were friends and collaborators. Originally published in Spain in 1985, this translated edition provides a detailed picture of Bunuel's life and art. Extensive notes contextualize the conversations and acknowledge the discoveries of recent studies on Bunuel.      *The Savvy Sphinx* Robert Dance, 2021-11-30 Named a 2022 Richard Wall Award Finalist by the Theatre Library Association. From the late 1920s through the thirties, Greta Garbo 1905-1990 was the biggest star in Hollywood. She stopped making films in 1941 at only thirty-six and thereafter sought a discreet private life. Still, her fame only increased as the public and press clamored for news of the former actress. At the time of her death, forty-nine years later, photographers continued to stalk her, and her death was reported on the front pages of newspapers worldwide. In *The Savvy Sphinx: How Garbo Conquered Hollywood*, Robert Dance traces the strategy a working-class Swedish teenager employed to enter motion pictures, find her way to America, and ultimately become Hollywood's most glorious product. Brilliant tactics allowed her to reach Hollywood's uppermost echelon and made her one of the last century's most famous people. Garbo was discovered by director Mauritz Stiller, who saw promise in her nascent talent and insisted that she accompany him when he was lured to America by an MGM contract. By twenty, she was a movie star and the epitome of glamour. Soon Garbo was among the highest paid performers, and in many years she occupied the number one position. Unique among studio players, she quickly insisted on and was granted final authority over her scripts, costars, and directors. But Garbo never played the Hollywood game, and by the late twenties her unwillingness to grant interviews, attend premieres, or meet visiting dignitaries won her the sobriquet *the Swedish Sphinx*. *The Savvy Sphinx*, which includes over a hundred beautiful images, charts her rise and her long self-imposed exile as the queen who abdicated her Hollywood throne. Garbo was the paramount star produced by the Hollywood studio system, and by the time of her death, her legendary status was assured.      **Oxymoron and Pleonasm Conversation on American Critical** Monika Mitasova, 2021-04-29 Monika Mitasova interviewed an influential group of current American
