**Introduction to Peace and Conflict Studies in West Africa** Shedrack Gaya Best,2006

[The Encyclopedia of North American Colonial Conflicts to 1775](#) Spencer C. Tucker,James R. Arnold,Roberta Wiener,2008-08-13 The only multivolume encyclopedia covering all aspects of North American colonial warfare with special attention paid to the social political cultural and economic affairs that were affected by the conflicts Encyclopedia of North American Colonial Conflicts to 1775 A Political Social and Military History is the first multivolume resource on the full range of combat and confrontation in the New World prior to the American Revolution not just rivalries between European empires but Indian conflicts slave rebellions and popular uprisings as well Organized A Z the encyclopedia covers all major wars and conflicts in North America from the late 15th to mid 18th centuries with discussions of key battles diplomatic efforts military technologies and strategies and tactics Encyclopedia of North American Colonial Conflicts to 1775 explores the context for conflict with essays on competing colonial powers every major Native American tribe all important political and military leaders and a range of social and cultural issues The insights and information contained here will help anyone understand the genesis of North American culture the plight of Native Americans after European contact and the beginnings of the United States of America

**Economic Development Strategies and the Evolution of Violence in Latin America** W. Ascher,N. Mirovitskaya,2016-01-19 Economic Development Strategies and the Evolution of Violence in Latin America explores the links between Latin American governments economic policies and the nature and dynamics of inter group violence Based on the patterns of ten countries the contributions to this volume trace the remarkable transformation from open ideological conflict to the explosion of social seemingly apolitical violence the upsurge of urban crime and the confrontations over natural resources and drugs across the region spanning from Mexico to Argentina The variations in economic success and in conflict prevention and transformation can guide policymakers development professionals and activists committed to conflict sensitive development

**Theology and the Drama of History** Ben Quash,2005-08-11 How can theology think and talk about history Building on the work of the major twentieth century theologian Hans Urs von Balthasar as well as entering into sharp critical debate with him this book sets out to examine the value and the potential of a theodramatic conception of history By engaging in dialogue not only with theologians and philosophers like von Balthasar Hegel and Barth but with poets and dramatists such as the Greek tragedians Shakespeare and Gerard Manley Hopkins the book makes its theological principles open and indebted to literary forms and seeks to show how such a theology might be applied to a world intrinsically and thoroughly historical By contrast with theologies that stand back from the contingencies of history and so fight shy of the uncertainties and openness of

Christian existence this book's theology is committed to taking seriously the God who works in time      **Conflict Resolution Through Communication** Fred Edmund Jandt, 1973      **Readings in the Economics of War** John Maurice Clark, Harold Glenn Moulton, Walton Hale Hamilton, 1918      *The Law of Private Property in War* Norman Bentwich, 1907      *THE NATURE OF HUMAN CONFLICTS OR EMOTION, CONFLICT AND WILL* A. R. LURIA, 1932      **Assembling Ericksonian Therapy** Stephen R. Lankton, 2003-12      *Handbook of Personality Development* Daniel K. Mroczek, Todd D. Little, 2014-02-25 This handbook is the first volume to provide a comprehensive look at personality development. It features a state-of-the-art examination of the field, an area that is enjoying a resurgence in popularity. Five major types of advances, all of which are represented in this volume, are the result of the recent burst in research activity in this area: 1. new theoretical perspectives; 2. higher quality empirical studies; 3. more sophisticated research designs and analyses; 4. attention to development across the lifespan; and 5. the growing prominence of interdisciplinary approaches to personality development. The *Handbook of Personality Development* is comprehensive across the lifespan in its range of personality constructs and in its coverage of theoretical and methodological frameworks. It is the first volume to address the most important personality development theoretical frameworks in one location: the evolutionary, physiological, behavioral, genetic, and socio-cultural perspectives. The book also reviews new statistical techniques that allow for the estimation of individual differences in stability and the analysis of change. The latter part of the book focuses on personality development over the lifespan, from infancy to older adulthood. The authors address personality variables such as emotion regulation, temperament, and self-concept across the lifespan. The book concludes with a compelling capstone chapter by Dan McAdams on how personality develops. The *Handbook of Personality Development* provides an historical account of and summary of the most significant and important findings in the area, along with suggestions for future research. Intended for researchers and advanced students in personality development, social, clinical, and educational psychology, as well as related fields such as family studies, sociology, education, nursing, behavioral genetics, neuropsychology, and psychophysiology, the handbook also serves as a valuable resource in advanced courses that address personality development.      *Developing Ericksonian Therapy* Jeffrey K. Zeig, Stephen R. Lankton, 2013-06-20 The volume presents the proceedings of the Third International Congress on Ericksonian Approaches to Hypnosis and Psychotherapy held in Phoenix, Arizona, December 3-7, 1986. The third Congress brought many new people to the Erickson movement. Approximately 1,800 attended, a striking indication of the continuing influence and growth in the therapeutic legacy of Milton H. Erickson.      **The War of the Rebellion: v. 1-8 [serial no. 114-121] Correspondence, orders, reports and returns, Union and Confederate, relating to prisoners of war ... and to state or political prisoners. 1894 [i. e. 1898]-1899. 8 v** United States.
