Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

The New Revelations Neale Donald Walsch, 2002 Offers a perspective on the current global crisis while challenging readers to shift away from stereotypical opinions presenting strategies for addressing and resolving cultural problems that are resulting in conflict

"Teach Them to Hear Me" Frannie Rose, 2021-10-05 Do you ever wish you could hear God's voice As you've faced hard challenges in your life have you imagined conversing with God Would you like to ask God questions and hear His gentleness and kindness speaking directly to you Do you wish to know the meaning and purpose of your life Learn to hear God's voice Perhaps you've gone to church all your life searched the scriptures and read of others who have had a mystical relationship with Him Maybe you have spoken with your clergyman listened to theologians or sought the wisdom of a spiritual mentor yet still your heart longs for more Arising from her extraordinary journey with God Frannie Rose inspires students across the world to live in conversation and in union with God His voice is what she heard as she emerged miraculously from seventeen years bedridden with illness and as she embarked on a new awe inspiring journey with Him In Teach Them to Hear Me A Guide to Conversing with God Frannie Rose guides readers step by step through a contemplative journaling technique God shared with her for engaging in daily and increasingly deeper conversations with Him When readers say yes to this beautiful journey they will experience what Frannie's many students have discovered how to find inner peace with God how to uncover
